@ To My Teacher With Love: ?????????????????? @

You taught me how to read
You taught me how to write
You guided me how to repeat
I needed you to be supervised

You are so kind and generosity
You are patience with my foolish
You showed the way of academy
I found it easy if you notice

You introduced me to the knowledge
You explained the subject
You made it less complicate
I gained the point as expected

Thank you for you have done
But you deserved more than thanks
Teacher is the high rank
I sang a song you're the number one.

A Winter Of Love: ??????????????

When the wind blown around me
My thought'd been flown to thee,
Winter is now overwhelmed.
Closed weather is only to be blamed,
When thy love is a magical key.

The work of coldness winter undergoes
Now my heart covered with snow,
Winter is so lonely;
Just to open mind for the dawn of sunny,
When thy love is only hope for tomorrow.

Even the naked trees covered with the cold winter,
But my heart dancing with the warm summer.
Freezing air forced me to close the windows,
Opened door for your hot potatoes,
Please make sure thy love is delivered.

I Am Lost

Why am I being here?
It seems to be my new place
Many people are not familiar
I'm a subject to treat and test

What is happening to my body?
The mobility appear to be less
It take away my short term memory
Forgive me I've done a lot of mess

I couldn't think of the words
Everything seems to be complicated
I'm being continually urged
They told me you are late

Why am I wondering?
I have no more own selfness
They said you are confusing
I'm listening, but don't know

Still don't know!

Prayad Pantasri

I Don't Know: ??????????

I don't know where I am
I found myself in the path
It's a forest, river and camp
I've done a temporary task

I don't understand
Why the life is so hard
It's a forest, river and sand
I've done nothing

I am so ashamed
Our world is full of killing
The forest and river cannot be blamed
I've been abandoned

I know I'm on my way
Which direction I scorned
Destroying of forest and river has to repay
I understood life is only for dismay.

??
??

...Phenomenal Woman: ??????????????...

Pretty women wonder where my secret lies.
I'm not cute or built to suit a fashion model's size
But when I start to tell them,
They think I'm telling lies.
I say,
It's in the reach of my arms
The span of my hips,
The stride of my step,
The curl of my lips.
I'm a woman
Phenomenally.
Phenomenal woman,
That's me.

I walk into a room
Just as cool as you please,
And to a man,
The fellows stand or
Fall down on their knees.
Then they swarm around me,
A hive of honey bees.
I say,
It's the fire in my eyes,
And the flash of my teeth,
The swing in my waist,
And the joy in my feet.
I'm a woman
Phenomenally.
Phenomenal woman,
That's me.

Men themselves have wondered
What they see in me.
They try so much
But they can't touch
My inner mystery.
When I try to show them
They say they still can't see.
I say,
It's in the arch of my back,
The sun of my smile,
The ride of my breasts,
The grace of my style.
I'm a woman

Phenomenally.
Phenomenal woman,
That's me.

Now you understand
Just why my head's not bowed.
I don't shout or jump about
Or have to talk real loud.
When you see me passing
It ought to make you proud.
I say,
It's in the click of my heels,
The bend of my hair,
the palm of my hand,
The need of my care,
'Cause I'm a woman
Phenomenally.
Phenomenal woman,
That's me.

We were walking through the orchard
I'm your youngest child
I'm so grateful of your kinds
Nice day recalled me to the past.

Mum used to show me some wild leaves
Eatable one that we used to keep
I felt her field was very large
Her cucumber garden was so smart
I watched it sometimes fell to sleep.

She showed me how to catch a fish
She made a salad very nice dish
We spent a day far away and deep
Her level of love with kindness was so steep
She is now in heaven with my wholeheartedly love and best wishes.

May I have a shadow of Shakespeare
And Thai poet Sunthornphu shaded some ideas
They were the great poets
Their poems written with a charming sweet secret
My bitter character shouldn't be very dear.

But friends cheer me to write a sweet poem
My heart melted into no form
Dying of missing you my beloved friends
Departed and living afar is so pains
Our deep bonding is always lovely warm

She read "Dancing With My Sweetheart"
And "It's A Nice Day In The Orchard";

And "Making A Wish";
And "A Policeman Of Life";
And some more Thai verses
She admired me like an expert

Oh! thank you I'm just a beginner
But, you're a very kind reader
I hope my poems help her feel better
As she smiled and laughed at me

Sadly, later I realized the key
She's advance of the age
And now being invaded by the cancer!

(In Thai by Brian P.)

Nothing is really mine except Krishna.
O my parents, I have searched the world
And found nothing worthy of love.
Hence I am a stranger amidst my kinfolk
And an exile from their company,
Since I seek the companionship of holy men;
There alone do I feel happy,
In the world I only weep.
Nothing Is Really Mine Except Krishna

I planted the creeper of love
And silently watered it with my tears;
Now it has grown and overspread my dwelling.
You offered me a cup of poison
Which I drank with joy.
Mira is absorbed in contemplation of Krishna,
She is with God and all is well!

O my King, my father, nothing delights me more
Than singing the praises of Krishna.
If thou art wrath,
then keep thy kingdom and thy palace,
For if God is angry, where can I dwell?
Thou didst send me a cup of poison and a black cobra,
Yet in all I saw only Krishna!
Mira is drunk with love, and is wedded to the Lord!

The heart of Mira is entangled
In the beauty of the feet of her Guru;
Nothing else causes her delight!
He enabled her to be happy in the drama of the world;
The Knowledge he gave her dried up
The ocean of being and becoming.
Mira says: My whole world is Shri Krishna;
Now that my gaze is turned inward, I see it clearly
(Mirabai)

Tristan And Iseult 4: ??????? ?????? ?????? ?

Brush the mold from Yseult's hair and face:
And you will find that swarthy furious gold
Still smoldering under the blanket of black mold;
And you will find those eyelids frail as lace;
Eyes like blue stones washed in a windy place;
That mouth whose glowing motion once controlled
Cornwall and Lyonesse; that throat as cold
As a long curve in water, white as a vase
Of moon-swept ivory: you will discover
That body whose keen pallor was a sword
Unsheathed only for one lord and lover,
Flashing only for one lover and lord:
Your eyes will blur to find with sharp surprise
Tears burning on her eyelids and her eyes!

When love lost;

The days have been long gone.
I was so happy thinking of the time when we still young.
When we were a young couple to be recalled happily.
And it will never be gone from the world of my changeable memory.

Now it is remaining only a memory of love.
Being older it is hard to hold on to the past.
You are no longer beside my heart.
My precious love has been lost.

You left me alone to dream in my own way.
Having departed and never to see my sadness.
Farewell, you will never comeback
This world is worthless without your love.”

As the season turns for coming days.
