Love Was Knocking At My Door

'Love'...

You know...

I used to wonder...

if 'love' would ever arrive at my door...

and why you made my heart beat so.

My heart sprung like a marching band...

beating...knocking...knocking everytime...

everytime you hugged me...

everytime you squeezed me...

everytime you kissed me...

when i remembered your smile...

when i heard your name...

everytime you ran through my mind.

But now i know...

it was only one of the many ways...

my heart tried to tell me...

that love...

'love'...was finally knocking at my door...

and 'your' love...

was like candy-coated rain drops.

Vertigo (Stupid Poem)

U take me 2 a natural high...
feels like my heart's on fire...
but all the same, it's as if i'm walkin' on clouds...
& my heart is filled w/ desire.

U put my mind in a twist...
constantly in a state of flux...
u wanna know y...
y I lust 4 u so much? ...
Well luv...
guess u got me feelin' like i'm an elephant in must.

Shuga, y'know I luv u more than Fred Durst luv's nookie...
& since i'm feelin' kinda hungry...
y don't u pass me dem cookies ;)
