Can You Understand? ? ? ?

Look at me! !

Do you understand?

Queen of The Damned

Love Insanity

Ancient Tough bout your heart.
Eat your life until your death.

Her eyes dragg you to the grave.
Her smile drowned you to be her slave.
Jealousy locked your human side. Her present like morbid wine.
Boiled your blood with desire...

Can you handle it? ? ? ?
Can you admit it? ? ? ?
' i love you ' you frightened of it, ,

Buried alive keeping Inside...
Burned your soul with rejection.

Some lucky, Some anarchi
full of glory, or Suicide..

Some epic, Some pathetic..
Your Love, Your Choice.
Your Risk, Your Life.....

Queen of The Damned

Radiation On Your Head

Radiance Your life with my smile. Poisoned Your heart with my eye.
expect what unexpected.
create what uncreated.
Blame me, hate me.
Loving unbeloved.
Heart control your head.
Blame me, Hate me.
i didn't do this to you.
its you.....

Queen of The Damned

Un Holy Me

Am here.....
you there.....
keep searching each other....
and hiding from another.....

Do you Know? ?
I m addicted to you...
Didn't you know? ?
Your Game Make me SICK! !

Cros The universe, , , , , Thru The Milky way.....
Fly with Converse, , , , , Try to find the way....

Am still here..... waiting unconditionally.....
Dancing.....only with y.....
Am Surrender Now.....
No More Pain.....
Give it that Pow.... I dare you! ! ! ! ! ! .

In the End.....
There is no End.....
Coz There is No Start.....
