Gone {death}

The Person Right Beside You
Can Be Gone In A Blink Of An Eye
With No Words Not Even A Wave High
Or Good Bye

The Tears, The Cries, The Pain And The Love
Doesnt Mean Anything When It Comes
To The Lord Decision To Keep You Alive

Even The People Who Claim They On Your Side
But When It Comes To This Situation
There's No Friends, No Family Nobody There
For You Thats Still Alive

So Get On Your Knees
And Pray For The People You Love
Cause Next Thing You Know
Their Either Down Or Above

He Dont Love Me

he might tell me all the time that im his only girl and the only one on his mine
but deep down inside he don't love me
he might make me feel like im his world and tells me that he happy
but deep down inside he don't love me
he might kiss me on my forehead and tells me that im preety
but deep down inside he don't love me
he might hug me tight and tell he don't wanna let me go
but deep down inside he don't love me
he might take me somewhere special, show me the world, treat me like his
everything, and tell me that he love me and tell me that he care and gonna
always be there
but deep down inside he still don't love me

Is It Love

Do Love Come Or Go Or,
Is Love Here To Stay
Do You Scarfise When True Love Come Or,
Do You Stand In Its Way
Do You Take A Chance On Someone Or,
Just Let Them Slip Away
When Love Looks You Right In The Eye
Do You Get Affraid
Can You Touch, Hear, Or See When True
Love Comes Around Or,
You Just Neal Your Head To The Ground
Is It Love, Well Thats What We All Say
Until You Meet That One Special Person
And Don't Question Anything
