QZ8 FIRE()

Ah!

look at the sky, ah!
the star is not exist,
what happen?

I know! it's our fault!
the sky broken, we destroy it,
but how? you know!

QZ8 FIRE

run, run, run as you can,
until you find end of world,
even then i'm still with you,
next to you, waiting, watching,

do not fear of me,
i'm face of your death,
beleive me, feel me, remember me,
untill end of you, the journey will begun.

QZ8 FIRE

My Way!

this is my way!

the way i believe!

this my journey, i will not stop!

this is what i choose, the time of me has come!
