# A Buddha

Who has seen the god?  
Neither I nor you  
I never know  
Just where to go  
I do not want to make a track  
I don't like to follow any religion  
Proudly I can say, we are all human beings  
I only want  
Love and respect with each other  
I only want myself to be as silent as  
A BUDDHA

Rajan Thapaliya

# A Lot Of Pain

Story of my love, turned into sorrow  
What's going to happen tomorrow

That was unforgettable journey  
But you gave me a lot of pain  
In unconsciousness, I shouted your name  
My fantasy world, drowned in tears

My loneliness and your happiness cheers  
Heart is broken you are far from my eyes

Rajan Thapaliya

# After You Reach Heaven

After you reach heaven  
I feel, you will understand  
You will see it when you believe it  
How much my love was for you

My Love was not fake to her  
But she told me "your love is fake"  
My joy was not fake to her  
But she told me "your joy is fake"  
When you got a love to someone else.  
When you moved away then my sorrow increased

I gave u my company on every step of sorrows  
I swear... i was so happy on your progress  
I have given you my heart & i am in love with you  
Feeling that company to be fake you stepped away  
When you got a love to someone else.  
After you reach heaven

Rajan Thapaliya

# All The Time

All the time I'm here when you will be near  
When you smile my heart melts like ice

My world is there in your beautiful eyes  
I feel so high for that smile I'll die  
I'm always dreaming of you

Love of my life, you are my soul mate  
You are my sunshine and golden gate

Rajan Thapaliya

# Buried Dreams

I saw everything dark and empty  
Nightmare loud alarm bell without  
Money life is hell  
I'm too tired of this life, I've chosen  
To end my life  
My dreams couldn't touch the sky  
This world is a lie...i want to die

My dreams are all dead and buried  
Everybody says dreams come true  
(But in my case) My dreams never came true  
Unfortunately, my unfulfilled desire is killing me  
My happiness are so far away  
I'm living all these days with my unshed tears  
Life has brought me fear of stairs

Rajan Thapaliya

# Chain Of Slavery

This is the heart throb of  
Thousands of poor people  
Wake up brother and sisters  
Breaking the chain of slavery

This is a new day, this is a new way  
What do you see, hey young guys  
Get united  
To change such a system today  
Stand, taking up arms

There are bullet marks in many places still  
Martyr's names here, mouth by the day  
Unjust increased here hundreds times  
To get our human right  
Blood is flowing, stand with weapons  
We can fight taking up guns  
To wipe out the enemy

Let us advance, united to change the world  
To change the rule imposed upon us  
To eliminate oppression from this era  
Hey, on the path of revolution  
Forward going solution

Rajan Thapaliya

# Come Again In My Life

Crossing many bridges and river  
To visit that lovely city  
I will buy diamond bangle and  
golden rings for you  
Let me that I love you  
and tell me that  
We will live and die together  
I can't imagine even life a moment without you  
My heart is like a blank piece of paper  
you can fill joy and Happiness  
My heart is like a blank piece of paper  
You can write whatever you want  
We never ever had day like today  
I figured out a different world for us  
I'm bothered remembering those moments  
You please come again in my life

Rajan Thapaliya

# Darkness Of Pleasure

Wondering of the bygone days  
That's are not full of darkness  
And not full of pleasure either  
Remember the times we had together

But what will the new horizon bring  
Back memories that I would die for you  
Take your pain for you and  
That is the darkness or will it bring  
The future to me only the new horizon  
Will tell me my future if it will be  
Darkness or pleasure

I'm wondering what life will be  
Looking forward to the new horizon  
That moment when you said I love you  
I remember when I said yeah me too  
But maybe both to remind me of  
What I once had then and what I  
Can have now with a fresh start of life

Rajan Thapaliya

# Era

This is a new day, this is a new way  
What do you see, hey young guys  
Get united  
To change such a system today  
Stand, taking up arms

Let us advance, united to change the world  
To change the rule imposed upon us  
To eliminate oppression from this era  
Hey, on the path of revolution  
Forward going solution

Rajan Thapaliya

# Failing In Love

Life is tragic to be arrow of tears  
I worry when you choosed alternative way

Remember how sweet were our bygone days  
But i worried for you had't enjoyed with me

Believed to much forgetting myself  
But my love turns out to be useless

Still waiting in belief of your return  
Tears had dried, so i had worried

Dear think once again otherwise i will be ash  
life became steep failing in love

Rajan Thapaliya

# Fear Of Stairs

i'm too tired of my life  
I've chosen to end my life  
My dreams couldn't touch the sky  
This world is a lie...i want to die

My dreams are all dead and buried  
Everybody says dreams come true  
(but in my case) My dreams never came true  
Unfortunately, my unfulfilled desire is killing me  
My happiness are so far away  
I'm living all these days with my unshed tears  
Life has brought me fear of stairs

I have Painful soul and tearful eyes  
we never meet again... good bye  
This world is a lie....i want to die

Rajan Thapaliya

# Hollywood Sign

You are happy more than ever  
We are perfect for each other  
Oh.....oh.....oh.....my Dear  
Our fame is like Hollywood sign  
I can feel your heart is like mine

You are all my hopes and all my dreams  
With Peaceful ray, so happy we seems  
Past, present and future is gift for you  
I love you more than myself to you  
You need faith now more than ever  
You always stay in my heart forever

Snow and cold rain is blowing in your face  
But You touched my life with warm embrace  
Tomorrow no matter where life may take me  
But I found in your heart affection of the sea  
You are a part of my life. My 'Diamond blue'  
I heartily wish you all your dreams come true

Rajan Thapaliya

# Holy Life

Delightful Court of Heaven  
Fragrant memory of your holy life  
Sing in the sunshine, laugh in the rain  
You come back to me again and again  
You're everywhere, may and might  
Dear peaceful night..... Peaceful night

You are singing I'm dancing music was amazing  
Everyone says you both are rocking....  
Everybody shaking hands looking colorful light  
The moon is shining on the sky  
You are blooming in my eye  
You're everywhere may and might  
Dear peaceful night..... Peaceful night

Make every moment happy, don't make Pain  
It has its own value Life is not a loss not a gain  
You are always on my mind  
When we just walk hand in hand  
Let's dance and let's sing let's say together  
You're everywhere may and might  
Dear peaceful night..... Peaceful night

Rajan Thapaliya

# How To Be Happy

One day she said to me....  
You are the happiest person in the world  
you are the Best  
Again She said  
How come you're so happy all the time? '  
Then I said  
We all want to be happy,  
But we can't  
We are our enemies  
If you really want to be happy  
First kill your bad feelings  
Always be optimistic because sky is unlimited

Again she asked with me  
Why am i so unhappy all the time?  
Then I said you are living In your past  
Don't live in past but think about 's very important  
It helps to crates your future destination  
When you live in your past  
Definitely Trouble Comes  
You will be suffer from depression  
Then she asked me  
What's a good solution to this problem?  
My Suggestion  
Try to be realistic, nobody is happy all of the time  
Happiness is a state of mind  
You can change your state of mind in many ways  
Find happiness in the job you have  
now an keep on smiling  
Make friends who share your interests or faith  
Turn on your favorite music  
Smiles make you miles better - and  
you smiling will make others smile  
Keep in close touch with relatives  
and a small circle of friends  
live with a partner whom you love and  
respect and who feels the same about you

Then you will feel perfectly happy

Happiness improves physical health,  
improves creativity  
and even enables you to make better decisions  
Find your purpose and live it  
Live as you feel like, not as you think you should live like  
What do I want from life? ' I asked myself.  
'Well...I want to be happy.  
Now Tell me That way, even your leaving of this world  
will give something special to others.  
Then you will see power of positive thinking.  
you will feel earth also as a heaven. Life is not hell  
  
, life is so beauty as a beautiful flower

Rajan Thapaliya

# I Appreciate It

It's always nice when  
you do something  
You took a deep breath,  
I appreciate it  
Everything you did for me.  
Grab my Life, Pull me close  
oh, so smooth and lovely skin.  
You rubbed my body  
Make love to me all night.  
I got your sweet and soft kiss  
I hold you dear to my heart  
You're so loveable ...  
show my love

Rajan Thapaliya

This world is not mine..  
Dark rays of sunshine  
Everything is fake..  
Everything is lie  
I want to die.....

To all of my friend I'm so sorry, Forgive me  
Don't worry about me forget me  
Sometimes i wonder what's my Purpose in Life?

# Mad Girl

World covered with diamonds, pearls  
You didn't count man for man  
What to say about sparkled beauty  
We are nothing when smashed from four sides  
alas! you stepped on my faith allowing your kins  
But step didn't stop...  
who have felt proud about her beauty  
climbing summit of beauty wasn't seen.....

Welcome to the land of the fame

I'm far from the radio and video game

The art of nature and best of the best

Mother of universe, that's the Mount Everest

Rhododendron is blooming and mountain is smiling

Snow is falling while couples of pigeon's are flying

Reflects the joy where there's love is showing

Splendor in sight with fragrance and beauty

I travelled a thousand miles away,

To see it's mystic virgin beauty

Sun is rising and rainbow is golden

I feel i was lost and my heart is stolen!

I feel so proud to myself when I looked at the mountain

A perfect holiday camp, with many wonders hidden

Mountaineers heart is always looks like a lamp

I can hear the laughter, even the tent is damp

Accept our deepest love and warm respect to all

Great experience in Everest, Tenzing and Hillary was born

He Showed his braveness with strong heartfelt gain

Glorious History, and everyone's victories we earned

# Neither Do I Live Nor Do I Die...

Tears was falling down

Your love became lie

Time to say good bye

Neither do I live nor do I die

That was unforgettable journey

But you gave me a lot of pain

In unconsciousness, I shouted your name

My fantasy world, drowned in tears

My loneliness and your happiness cheers

Heart is broken you are far from my eyes

Neither do I live nor do I die

Story of my love, turned into sorrow

What's going to happen tomorrow

My hopes were dead and

The heart was disappointed

A feeling of happiness is in the sky

Unfortunately never did I get in your eyes

Neither do I live nor do I die....

# Nepal

Open your eyes bell is ringing

Sun is rising with diamond and pearls

Independent and immovable

Our beloved, motherland Nepal

Everybody has warm heart everywhere love and affection

How can I keep from falling in love with my own reflection

Paradise of beauty and everywhere is bless by the god

I'm going to my motherland where I spent my childhood

Ornamented with the mystic peaks of the Himalayas

My country, my pride it's always looks like beautiful bride

That's really really wonderful -"Oh, how beautiful place

Enlightenment, more peaceful, freedom and grace

Rajan Thapaliya

# Niagara Falls

Ravishing grace with paradise on earth

Beauty sprinkles everywhere in Niagara's Edge

Attractive Skylon Tower and Rainbow bridge

Water bubbles looks like magic Balls

"Maid of the Mist, Niagara Falls

Voluminous water with boating

I'm afraid with white foamy flow,

Mighty heartbeat wind that blows,

The beauty I feel, is in no way olden

Mysterious rainbow is golden,

OMG, how my heart is stolen!

Joyful fireworks on the sky with velocity

Little children's are watching with curiosity

Extremely heavenly joy and pleasure

It makes me wonder that I want to share

Loving couple watching the falls with love

The fall reflects the beauty of our life together

## Oil On Fire

Don't want to break already broken heart  
Many broked, many passewd away

# September 30

Sitting by the window and looking flying bee

Today I'm reading "The Old Man and the Sea"

Coming fabulous days of September 30

I'm counting my age is crossing over 40

I want to go back in my childhood days

Time is going so fast.....growing my age

I remember back when I was really little boy

Those days, nature was my playground and toy

Tear, fear and friends came and went but I'm still alive

What I feel, I can't say, I'm thankful for whatever I have

Past can't be changed, but future is still in my hand

You are far from the earth but you're still on my mind

Rajan Thapaliya

# Shade

Life changes its beauty all the time  
Sometimes it's a shade and chime  
How times flies one can't even know  
Ups and downs comes and goes like snow  
God gives life don't be sad and don't cry  
Looking sunshine a time to live a time to die

Rajan Thapaliya

# Shadows

Shadows of people passing through, Shadows of people that i once knew.  
Dark and empty streets so forlorn, Walking in the memory of those I mourn.  
Shadows of memories I cannot find, Shadows of dreams I've left behind.  
I walk in the Shadows of my mistakes. And love is something I now forsake.  
Shadows of years gone by, Shadows of the tears I've cried.  
It might be sad but it's true. Your shadows will always follow you.

Rajan Thapaliya

# Sitting On Window

Sitting on window  
Looking at the Shining star

Thinking of the Bygone Days  
Life is not full of darkness  
And not full of pleasures

Coming fabulous September 30  
My age is crossing over 40

Rajan Thapaliya

# Spitted By Thousands

Me man wake up from road  
Man; stepped, spitted by thousands  
Flew sweat in misery  
Me, man like maize burn on fire  
Living collecting fateful dreams  
Me, man laughed in small hope  
Laughing alone, weeping alone  
Me, man knelt down with shame in front of lips  
Don't know died or alive in this world  
Man staying alive accepting damning by god

Rajan Thapaliya

# Stony Heart

Today is life and life is today  
So far away, i Can't find a way

Tears are falling down

when your love became lie

Time is saying good bye

Neither do I live nor do I die

That was unforgettable journey

But you gave me a lot of pain

In unconsciousness, I shouted your name

My fantasy world, drowned in tears

My loneliness and your happiness cheers

Heart is broken you are far from my eyes

Neither do I live nor do I die

Story of my love, turned into sorrow

What's going to happen tomorrow

My hopes were dead and

The heart was disappointed

A feeling of happiness is in the sky

Unfortunately never did I get in your eyes

Neither do I live nor do I die....

Rajan Thapaliya

# Tell Me

Those passed moments  
I can't forget even though I want to  
The lord has done injustice has tricked me  
Where is that place, where I could rest my heart  
God, where shall I go where I could rest my heart  
Man can judge wrong and right  
Man is supposed to be wise  
Why then doesn't it happen"  
That they learn to respect each other  
To evade this heat, where shall I find shade?  
where I could rest my heart  
Which place shall I call peaceful  
My heart itself is scared  
Even when lights are on  
I see the whole world dark and dun  
When will I get to fill my heart  
With decorations of togetherness and love  
Tell me hey God, where can I rest my heart?

# Usa

Life is today and today is life  
Open your eyes bell is ringing  
Sun is rising with peaceful ray  
The land of opportunity  
That's the USA

warm hearted people wherever I got more love and affection  
How can I keep from falling in love with my own reflection  
Paradise of beauty and everywhere is bless by the god  
I'm very grateful because where I spent my childhood

Ornamented statue of liberty, country of fame and pride

New York city, it's always looks like beautiful bride

Here we are now this is independent and immovable place  
Enlightenment, more peaceful, freedom and grace

Rajan Thapaliya

# Warm Embrace

Snow and cold rain is blowing in your face  
But You touched my life with warm embrace  
Tomorrow no matter where life may take me  
But I found in your heart affection of the sea  
You are a part of my life. My 'Diamond blue'  
I heartily wish you all your dreams come true

Rajan Thapaliya

# What A Hell

Sometimes i feel wonder  
what's my Purpose in Life?  
Every moment god closes door of opportunity  
And gives many more trouble for me  
I saw everything dark and empty  
Nightmare loud alarum bell  
without money life is hell  
I'm too tired of this life  
I've chosen to end my life  
My dreams couldn't touch the sky  
This world is not mine I want to die

Rajan Thapaliya

# What Can I Say?

SITTING BY THE WINDOW LOOKING OUT AND ALL  
I CAN SEE IS THE REFLECTION OF YOU. WONDERING  
IF YOU ARE KEEPING AN EYE ON ME, BUT WHAT CAN  
I SAY OR WHAT CAN I DO WITH MY LIFE WITHOUT YOU,  
I SURELY JUST WANT TO DIE.

SITTING HERE AND JUST REMEMBERING ALL THE  
THINGS WE WENT THROUGH, ALL OUR JOURNEYS,  
ALL THE CROSSROADS THAT WE FACE TO CHOOSE.  
THE RIGHT ONE AND I KNOW I DID BUT WHAT CAN  
I SAY OR WHAT CAN I DO WITH MY LIFE WITHOUT  
YOU, I SURELY JUST WANT TO DIE.

AND THESE CROSSROADS THAT I COME TO WONDER  
IF THEIR ARE STAIRS THAT I CAN CLIMB TO BE WITH  
YOU AND HAVE YOUR ARMS AROUND ME ONCE MORE  
AND TO HAVE YOUR SWEET VOICE TO SAY I LOVE YOU  
BUT WHAT CAN I SAY OR WHAT CAN I DO WITH MY LIFE  
WITHOUT YOU I SURELY WANT TO DIE.

AS THE SUNSET COME AND THE DOLPHIN'S SWIMS AND  
THE LIGHTS HITS WHERE THE COLORS OF ,  
PURPLE AND GREEN THAT CHANGES THE COLORS OF MY  
HEART AND SOUL WHEN I AM MISSING YOU BUT WHAT  
CAN I SAY OR WHAT CAN I DO WITH MY LIFE  
WITHOUT YOU, I SURELY JUST WANT TO DIE.

WHERE THE WARMTH, WHERE MY HEART, WHERE  
MY SOUL I HAVE NONE OF THESE THINGS WITHOUT  
YOU, SO WHAT CAN I SAY OR WHAT CAN I DO WITH  
MY LIFE WITHOUT YOU, BUT I SURELY JUST WANT  
TO DIE.

BUT HOW CAN I LOVE SOMEONE ELSE WHEN I KNOW  
MY HEART IS SO FAR...FAR AWAY AND I KNOW I CAN ' T  
GET IT BACK SO WHAT CAN I SAY OR WHAT CAN I DO  
WITH MY LIFE WITHOUT YOU, I SURELY JUST WANT  
TO DIE,

WILL I EVER LOVE AGAIN I DON' T BUT I DO KNOW  
WHEN MY HEART COMES BACK TO ME THEN MAYBE  
I WILL LOVE AGAIN, THE ONLY ONE THAT WILL KNOW  
IS MY HEART SO UNTIL THEN WHAT CAN I SAY OR  
WHAT CAN I DO WITH MY LIFE WITHOUT YOU,  
I SURELY JUST WANT TO DIE.

# Wonderful Journey

Life is a wonderful journey like happiness and sorrow  
No one knows what's going to happen tomorrow  
Time to live a time to die.....

Life is full of challenges in every moment  
What we want.....It's difficult to get  
What we are seeking, still confusing yet  
After more struggle you will get something  
But what you got what you lost is nothing  
You are still alive you can do everything  
Time to live a time to die.....

Life changes its beauty all the time  
Sometimes it's a shade and sometime chime  
How times flies one can't even know  
Ups and downs comes and goes like snow  
God gives life don't be sad and don't cry  
Looking sunshine a time to live a time to die  
TimLife is a wonderful journey like happiness and sorrow  
No one knows what's going to happen tomorrow  
Time to live a time to die.....

# World Cup Dream

I don't have a world cup dream  
But I love to play Football  
I don't have the master technique  
But all for the good of my team

Food ball + food ball + food ball  
This word is my life  
Sweating and passing the ball  
Running fast and finding that opportune hole  
As a result, we can say "Goal"
