Rajendra Meena()

I am Rajendra Prasad Meena, an English teacher and a poet from India. I have been teaching English in a private school since 2007, and my journey with language and literature has grown deeper with every passing year.

I completed my B.A. from the University of Rajasthan and am currently pursuing my M.A. in English from Rajasthan University. Teaching has shaped my understanding of words, emotions, and human experiences, which often find expression in my poetry.

Writing poetry is my passion. Through my poems, I try to capture silence, emotions, life's struggles, love, time, and inner reflections. For me, poetry is a sincere expression of the soul and a way to connect with readers on a deeper level.
