Burning Heart

My Heart Is Burning Just For You,
Please Try To Listen What He Says?
I, m Lost In Space And I Cry For You.

You Dont Understand My Love Is True,
I Love You More Then Enough,
But You Hurt Me More Then I Love You.

My Life Is Over Now, I, m Dying.
I Cut My Body Everywhere And Blood And Tears Is Flow,
I Try To Forget You Forever But My Tears Will Never Dry.

After Your Love Is Gone I Don't Want To Live Without You.
The World Is Now A Fiery Hell For Me,
You Break My Heart Hurt My Soul And Let Me Down, Dont Try To Come In My
Heat Cause He Will Burn You.

Life

Life Means Exclusive Live,
Mix With Love, Feelings, And Fervent,
It Was Really Magical,
It Is Truly Different.

Life Is Very Short,
Enjoy Every Moments You Have Before
It Was Run Very Fast
So Dont Waste Your Time To Think About More.

Life Is Like A Movie,
It Was Full Of Entertainment.
It Is Show You Real Picture,
You Understand When Finished Of Excitement.

Life Is A Long Road,
Please Walk Alone And Fight To Keep Survive.
It Was Filled With Tears And Happiness,
That I Say Live Means Life.

Your Passionate Eyes

So Many Times I Was Strong
But My Heart Is Still Alone
This Loneliness Chase Me Inside
Suddenly I Found My Own Paradise
When I Am Falling Love Of Your Eyes.
Your Eyes Is Like A Deep Ocean
I Am Captured In Your Eyes, And Raptured By Your Charms.
I Felt Your Eyes Just Like A Poisoned Dart.
Your Eyes Put A Spell On Me,
I Know That How Much Magic Hide Behind Your Eyes.
Every Time It's Attract Me And I Am Surprise,
When I Looking Into Your Passionate Eyes.
