Being Partel Will Die

Do not we will be
Able to live Without you:
World for wich we rejected,
He rejected me today;
I got the poison;
Then you will be able to not drink
Without seeing us:

Every Sorrow

Arrenged in a vase,
I think we should sell

She Is Very Handsome.

i adore the way
She is a laughing face;
She is the image of god
Made she women of
Leisure realized:
On just a single gesture
I'll rip your heart:
There are more people she is very handsome:
