Certain Dream

If you have a certain dream
Don't you ever give up on it
Its Gods way of knocking on your door

Never give up, Never lose hope
Even when the times are hard on you
For there will be hurdles
You will need to cross
In every step that you take

If you have a certain dream
Don't you ever give up on it
Its Gods way of knocking on your door

There will come a time
When you will realize
It was worth all the effort
The blood and tears that you had shed
In walking your dreams

If you have a certain dream
Don't you ever give up on it
Its Gods way of knocking on your door

God blesses us all
Through our dreams
And gives us all a certain dream to walk

Hero's Live On Forever

There comes a time.
When you think all hope is gone.
Steps up a stranger,
And leads you through the dark.
It seems like a miracle
That's just happened to you.
There is a Hero born

Hero's live on forever.
They give you hope,
They give you life,
A will to survive,
The odds that come your way.

God's soul's earth
They are the shining stars
A hope In Hell
They triumph over, the ordeal they face
To their very last breath
Cause they have no fear at all

Hero's live on forever.
They give you hope,
They give life,
A will to survive,
The odds that come your way.

Life is a sacrifice
For the sake of humanity
And for you and me
To live forever
In peace and tranquility

Hero's live on forever.
They give you hope,
They give life,
A will to survive,
The odds that come your way.

Pain

Pain Is sorrow of emotions
A suffering in silence
A sentiment of grief
It comes is waves and torrents
With such intensity
Makes you wary all the time.

Pain is sorrow of emotions
When your heart bleeds in distress
Pain is a suffering in silence
When your soul searches the truth
Pain is a sentiment of grief
When you if think if life is worth living for.

Pain is when bitter memories haunt you
Of hard times gone by
Pain is when those close to you
When you need them the most let you down.
Pain is when the one you love walks out
With no reason or regret
Pain is like an enemy it strikes and at you anytime
And wears you down.

What is pain
No one can explain
Even words can't explain
The feeling of Pain.....

Steal Me From Me

I'll never forget,
The day we first met.
You stole my heart. You stole my soul,
Like no one else did before.

Steal me from me.
Steal me forever.
Constantly, steal me from me.

You're in my thoughts, you're in my words.
You're in my dreams.
I feel my spirits soar,
Every time I think of you.

Steal me from me.
Steal me forever.
Constantly, steal me from me.

Please just give me one chance,
To prove my love to you.
I promise you'll never regret,
The day you say yes to me.

Steal me from me.
Steal me forever.
Constantly, steal me from me.

Steal my heart, steal my soul,
Make me yours forevermore.
No one can take your place,
In my heart like the way you do

Steal me from me.
Steal me forever.
Constantly, steal me from me.
