Blessed To Have Me

am well carved
to attract
she is well teased
but shy to attack
am the love god
that invokes lust
out of all
but my heart
is mine to give
and only for one
to take
she's blessed
to have me
all to herself

Heroes Song

When The Story Be Told
At That Time Of Day
I Must Be Able To Stand Bold
And Never Frey
Among The Heroes Of My Time

Old Granny

Here Comes My Old Granny
She Loves A Glass Of Brandy
And Always Keep A Bottle Handy

Too Shy

I Was Hiding A Feeling Similar
It May Be Part Of My Healing Potion
Outta This Here Madness
You Are Flawless
So I Think
You May Add To My Life A Blink
Too Shy To Admit
But Now I Hope To Gain The Permit
