A Gift For The Teacher

Jack And Sam had a Friends Reunion. Their Friends were fond of Adventure Sports.

Jason said

" Hardly is anyone as good in Skate Boarding One Who challenges me gets a trashing."

No Sooner did Jason Said than came Jacob's Reply

" Acheivement happens to be the word in Discussion Such is my description in Rock Climbing I Snatch everybody's attention."

Johnson Interrupted

" In all types i am the Quickest In Swimming to defeat me Efforts are needed at the Maximum best."

All Had fun. They went home. Jack and Sam looked at each other they said

" With Everyone Master in their own Skill Hardly are we capable to match their intelligence."

There Came Uncle Trevor. He shooked his head in made a pyramid of cards

" Your Intelligence of your Friends sounds similiar."

Uncle Trevor pushed the pyramid and continued

" As soon as More capable and intelligent sportsmen will be in vision In Huge Amounts they will require real Attention."

Uncle trevor continued

" Their Skills are worth to Appreciate But Rarely a Teacher can Felicitate." On the other hand in sports surely you may not be Equal in comparision But Academics is where you Excel than your competitors."

Surely your Limitation holds the strong point Go ahead suceed and make your teacher a reason for felicitation."

HAPPY TEACHER'S DAY TO ALL

A Lesson Of Patriotism

Thomas Said to Uncle Trevor

"With the Sporadic Presence Making a Deep Impact Urgent Steps We have to Act."

Uncle Trevor Smiled

" Your Concern deserves Appreciation Much is the need to give Special Attention."

Tobby However had a Diffrent Attitude

"With Such Serious News in such a Bright Morning With Such Negativity you are giving a Bad Opening."

Thomas Said

"Your Thoughts are on a Verge of Demotivation Such Thoughts are Engaged in Crime's Promotion."

Uncle Trevor Called Thomas. They came after some time

" Your Thoughts indeed have a Point Let Entertainment be the Solution."

Saying so Uncle trevor said

" Let the FireMan's Game Be an Active Part The Civilians have to be Smart."

Thomas Pretended to be the Caller But Uncle Trevor didn't respond

Tobby Smiled

" With such Inactive and Laziness in Activity How are you going to Stop the Calamity? ."

Uncle Trevor Smiled and Continued

" Sounds like Some one has Answered the Solution Regarding the Calamity some one had Careless Intention."

Uncle Trevor Continued

"With the Bloodshed and Deaths Such Rampant Should we Wait for our Inclusion Only Positive Interaction and Participation is the Solution."

Tobby Realized his Mistake

"With Such Scene in Action Against them Urgent are Punitive Steps to show them their Real Destination."

ACT AGAINST THE TERRORISTS WHO KILLED SEVERAL CHILDREN IN PESHAWAR.

A Lesson Of Unity To Thomas And Tobby

Thomas And Tobby Had a Friend Named Travis. Travis Was Very Brave Boy. He Was Well Known for Catching Goons and Robbers in his Locality. One day Thomas's House was Robbed by Robbers.

Tobby Said to Thomas

"With The Need to Catch the Robbers Needing Urgent Initialization Who but our Friend Travis can do the Job as Catching Thieves is his Specialization."

Thomas Affirmed

"Your Suggestion is that Affirmative Our Fame in the Locality will be at the Highest When His Help will be at the Earliest."

There Came Travis

" Am I Privileged for my Selection To get the Results I Will try my Best Efforts in Initialization."

Travis Tried his Level best but could not catch the Robbers

Thomas Made fun of Travis

"Your Stories had given an Enormous Expectation Little did we know Those were Stories to Grab Attention."

Tobby Added

" All we were Busy in Robber's Punishment We should have Realized Bravery in you is absent."

Travis Cried And Went Away. Uncle Trevor Watched this Incident and decided to teach Thomas And Tobby a Lesson

Uncle Trevor Said to both

"With Entertainment happening to be the Question How About a Game of Tug of War As a Solution."

Uncle Trevor Continued

" But the Game will have one Exception It will have a Dummy as an Opponent's Inclusion."

Both Laughed

"With Such Kind of Games in Existence Surely there will be Competition's Absence."

Uncle Trevor Smiled Mischievously

" Hasn't Someone Answered the Solution Don't you find yourselves and The Sport in a Similar Position.? "

Uncle Trevor Continued

"What Would have been the Result in Anticipation Had you in Catching the Robbers Showed the Power of Unification? ."

Both Realized their Mistake

"When in Active Vision There will be Active Participation Then Justice will be the Ultimate Picture in Anticipation."

UNITE AND FIGHT AGAINST CRUEL PEOPLE

A Lesson Taught To Wicked Mason

Jack Came Home in a Sad Mood. He Said to Uncle Trevor

"With Academics And a Bright Future My Concentration

Unluckily There are People to make my dream Unsuccessful are giving Full Contribution."

Uncle Trevor Quizzed Jack. Sam Affirmed

" His Statement Carries Affirmative Reaction As he Needs Special Attention."

Uncle Trevor Said

" With all the Story Coming with Quizzical Question and Utter Confusion Can You Give a Better Explanation? "

Sam Said

" The Story Starts With the Cruelty of Mighty Mason With All his Power in Anticipation

Isn't He the Most Powerful Person having a Wicked Intention."

Uncle Trevor Smiled

" On Hearing Your Story of Torment And Exploitation I See a Story As a Requirement to your Attention."

Uncle Trevor Continued

" Mighty Was the Terror of the Cobra With His Attack Wasn't he the Most Powerful in the Jungle."

One Day he Saw an AntHill. He destroyed the Anthill. He would destroy the Anthill Everyday.

The Ants were Worried Said the Leader of the Ants to his Subordinates

" Surely Mighty is the Cobra But Mightiest will be the Result When Unity will be in Anticipation."

All The Ants teamed up and attacked the Cobra. The Cobra never Scared the Ants from that day.

Jack and Sam said

" All we had understood from the Moral Against Crime Standing tall is that vital."

Both Continued

" Thank you for boosting our Morale."

Both Opposed Mighty Mason.

A Lesson To Fur And Leather Entertainers

Uncle Trevor Went to Trip With Jack Sam Tobby and Thomas. They saw a Leather Shop.

Thomas Was Fascinated

"With Praise the Future Result Won't I Be Proud If This Comes in your Acquisition? ."

Jack Was Angry. He Retorted

"With Your Fascination the Centre of Attraction How did you forgot Torture Involved in the Acquisition? ."

Thomas Defended Himselves

" Even Animals are My Interest But My Idea is different than the rest."

Uncle Trevor was Looking At Thomas. He told Jack to Quit the Called Jack After Some Time Both Came and Said

" With Your Thoughts Almost Right It is time we Change and Quit the Fight."

Both Continued

" With Entertainment your Clear Intent Let us Reduce the Strain In Such a Way we will Entertain."

Uncle Trevor Said

" Let the Game be the Solution."

Saying So He Placed a Drum

" He Who is Successful in the Drum's Rescue Operation Will get a Special Appreciation." Uncle Trevor Added

" But in this Game There is one Condition There should be No Cheating's Inclusion."

Thomas Criticized

"With The Trick Impossible without Unfair Practice's Inclusion How Come you are going to come at the Winner's Decision? ."

Uncle Trevor Smiled

" Right You are You Just Answered the Solution With People's Tastes gaining more Importance Isn't Leather and Fur like the Big Drum Where the Escape and Security of Animals Hardly a Possibility? ."

Thomas Realized his Mistake

" To Punish Such People We will Always Show our Capability."

All Said

"Your Thoughts need Urgent Modification Against the Fur and Leather Entertainers Vital is the need for Unanimous Unification As the only way of Realization is in the place of Animal your Substitution."

ACT AGAINST THE DOG SLAUGHTER IN CHINA WHERE DOGS, COWS, OTHER ANIMALS ARE MURDERED. ENSURE CRUEL PUNISHMENT TO SUCH PEOPLE WHO TORTURE ANIMALS.

A Rumour's Tale

The Tale of the Apprehensive Hare Got Real in Vision.

A Fall of a Leaf Gave The Hare a Sky fall's Impression.

Similarly A Rumour became Death of several people's Reason.

The Hare's Apprehension caused a Sense of fear among many Animals

In a similar way Scared were the People.

Had they indulged in Clarifying the Rumour

Security of the people would have been a possible picture.

Vital are your steps such drastic

When Several people will have been selected to write Letters to the Concerned Authority.

Then Justice will have been a possible picture in the Visibility

Your Role has a immense responsibility to play

In the future Such incident will not happen

By Taking snaps of such places and reporting it to the concerned Authority

It will have been a possibility

Against the People responsible When several people will raise their voice

Then A Possibility will be Strict Action

In Such a Way people will Explain their Action

The Scene Asks for your Alertness

When people will participate with full responsibility

Won't Justice to the deceased The Scene Will Witness.

PARTICIPATE ACTIVELY AND DEMAND JUSTICE FOR THE PERSONS KILLED DUE TO BREAKING OF THE ELPHINSTONE BRIDGE'S RUMOUR

A Tribute To Mahatma Gandhi

Ramesh said to Uncle Rajesh in a Concerned Voice

" With the Sight in Anticipation Trouble is the Word in Discussion."

Uncle Rajesh said

" Could you Give more Clarification Such that I Can give a more better Explanation."

Ramesh said

" Terror is the Word in Description as the Cruel Boys levy tax to mark their Intention."

Uncle Rajesh smiled

" Solution's Answer is Visible When in Practice there will be non co-operation then Justice will be the word in discussion."

Uncle Rajesh continued

"When in The country The british rule was in vision against them one man used non co-operation as the solution."

Neither did he had a weapon nor did he used any anger Unification and truth were his only ammunition

In victory he had a huge contribution a tribute to his dedication

A TRIBUTE TO MAHATMA GANDHI

A Tribute To The Common Man

A Mistake so unexpectedly done Never was Crime the Common Man's Intention. All The Common Man needed to Worry was his Futuristic Apprehension. All he did was a trespass. Trashing is all what he Got Neither did the Government performed her duty nor the Common man. All the government did was giving Assurances But Opposition should'nt be the only victory. As all that matters is Practical result. If Government's Role was familiar What about the common men Your role was similiar. All that matters is action. Unite and fight write satires, sign petitions, protest in unity. Don't just felicitate my interaction. Take quick action. VANDE MATARAM JAI HIND

A Tribute To The Iron Man

Thomas Said To Uncle Trevor

" It has been a Long Time Since an Interesting Story has entertained our Ears."

Tobby Affirmed

" Probably it has been Years."

Uncle Trevor Smiled

" So an Interesting Story is the reason for your depression."

Saying so He Continued

" Let us Search for a Solution."

Uncle Trevor continued

" It all Started with the Cruel British's Aggression.' Explication of the poor farmers was the clear intention."

Uncle Trevor continued

"With the Poor Farmers Suffering from Massive Loss and Destruction Payment of Taxes was hardly an Assumption."

Both Said

"With the Scene demanding a urgent stand in the Visibility Was there an Emergence of Hero Who showed the Capability."

Uncle Trevor Smiled and continued

" Your Guess is that right There was the great leader who gave a fight."

Both said

" With the Story getting to an important discussion

what steps did he chosed as a selection."

Uncle trevor Nodded in dis affirmation

" Your Idea deserves Disaffirmation as violence is not always the solution."

Uncle Trevor Continued

"When in Vision Against the Aggressive tactics there will be Disaffirmation and Non-co-operation."

Both Said

" Then in Justice there will be Initialization."

A TRIBUTE TO SARDAR VALLABH BHAI PATEL.

A Visit To The Unique Place

Jack Said To Uncle Trevor

Sam Joined Jack

"With an Immense Feeling of Pride We Will Visit Our Visit Will make us feel in our Brave Soldier's Acquitance."

Both Continued

Uncle Trevor Smiled

Uncle Trevor Took them to a Place Where Pictures of The Victims In the Bombblast

Jack Smiled

"With Such a Country Full of Bravery There is hardly any one in the Place Isn't This a Sign To Worry? ."

Sam Continued Making Fun Of Uncle Trevor

" Much Funny Was Your Choice In Such a Place There is Neither a Weapon Nor a Sign of Bravery There is Neither a Weapon Nor a Bravery Act To Make Fun of Us You had Enact."

Uncle Trevor Refused to Accept

" Much Different is Your Ideology When it Comes To Definition Of Bravery." In an Attempt To make Interesting Ideology How Did you Forgot The People In the Visibility."

Uncle Trevor Continued

"Behind Every Crime There is a Chrono; ogy The Cause Followed Was Sequential.'Hardly anybody Thought Your Active Participation Was Essential."

Your Simple Alertness Can Change The Story But Such Things are Ought to Happen When People are more Interested In Rivalry."

Unification is the Word As the Need Calls

In Country's Progress There Will Be Positive Modification

Then there Will be Unification

Both Smiled and Said

" And For that We will do Immediate Implementation."

All Smiled.

" The Sense of Danger is in Visibility Let us Inform the Police and Show our Capability."

Thomas Smiled

" Your Fear is Nothing but Apprehension I Am Capable of Giving them Tension."

Tobby Added

" Let your Fear be out of the picture Catching people like them for me is an effortless adventure."

The Next day the Robbers Intruded Home of Thomas and Tobby. Both tried all tricks but suceeded in none. Travis had called the police. The police caught the Thieves.

Uncle Trevor Smiled

" His Common Sense Enabled to Catch the Thieves in Action Indeed Bravery for him has a different definition."

Thomas and Tobby said

" Daredevilry and Violence need not be Bravery's Definition Even Common Sense and Alertness Can be the Inclusion."

Just like Travis You should alert the concerned authority whenever you see Suspicious People.

Hard luck for force India's team mate as he is overtaken by Torro rosso's Dutch Star

The Australian Red bull Star does a great job as in claiming the 10th While F Nasr the 11th

Red bull's Prowess continue as the russian star over takes Swedish sauber ferrari driver

While marrussia ferrari marks the 14th

Hard luck for R Grosjean C Sainz J Button W Stevens K Raikonen and F Alonso as Accident

and engine failures stopped them all.

Ban The Use Of Animals For Experiments

The Cruel Practice is in Enormous Existence All it Gives is Massive Pain Be it the Mischeivious Monkey or the Defenseless Dog or the Adorable Rabbit Ignoring Pain of the Animals has been made a Habbit This Can't be Education Which Promotes nothing but Cruel Celebrations. An Innocent Life must be a part of your Assumption Then in your Thinking There will be Modification For Man and Animals Pain is Same The Experiments are as good as making someone Lame All you need is Quick Action Against the People Whose Aim is mothing but Cruel Satisfaction Ask only one Question How will Men feel if they are Affected by the Substitution Painful will be the Reply For Animals Same will be the Condition Animal Experiments are nothing but Cruel Education This is nothing but a Sadistic Pain's Race Show such people Prison which is their Real Place Please Ban Animal Experiments

Ban The Sport

A BloodSport is about to Begin. Countless of people will gather to watch the Scene. What adds to anger is they will enjoy the sin. Never will people bother to take Action. They will give excuse of Selection. After the Sport They will Felicitate the Stars. But isn't it Funny people forgot the Scars. Amusement is the word for this People. But what about the Health of th poor bulls who are as good as crippled. All you need is a query full of tension. Whether the Bulls enjoy is the Queistion. How can Enjoying Pain be Amusement's Connection. Human have Rights in Play. What they do is nothing but a Perfect Crime. So does the Animal has right to Enjoy. Creulty is what the Game teaches people. What will play an Active Part is Substituition. Your thinking will be out of your imagination. Imagine a Mighty Man pulling a Poor Man. There comes your Guess it has everything but lacks equality of Power. Doesn't making Bulls Angry by dragging them on ground makes you down with Shame. Not only the competitor but also the spectator is Guilty. He who protects Animals is Mighty.

Entertaining from such games has to be a crime.

Stopping such Creulty is high time.

Grandma Looked at Bugs Bunny

" Someone is Surely Ought to get a Fight Some Carrots are missing from my Sight."

Bugs Bunny Admitted

" Helpless is the Word in Discussion As It is my Favourite Food for Consumption."

Grannie Interrupted

" And What about my farm's Condition How Come it went out of your Attention."

" With my Habit Unable to Change For an Acceptable Solution can you Arrange? ."

Grannie Smiled

" Oh! Bugs Even I Have a Solution to Suggest
After My Gardening Task is over for the day to Ensure Delivering Food to you I
Will be Active
In Affirmation
Such that Your Hunger's Satisfaction Will be an Assured Confirmation."

Bugs Paused

" With My Hunger Getting an Assurance When will the Numerous Rabbits get Justice as an Affirmation? ."

Grannie Said

" With Your Solution Surely Coming What Plight are you discussing? ."

Bugs Bunny Said

"With Tastes and Fashion getting Foremost Attention To Our Plight Hardly did anybody paid Attention."

Grannie Affirmed

" As Long As Your Tastes Will you Prioritize The Pain Endured by the Poor Rabbits Hardly will you Realize."

Bugs Said

" In Justice I Have Faith As a Lot of Positivity will be in Existence When to the Pain Endured by Us you will relate your Fate."

Both Said

" An Urgent Stand Urges to be the Solution As When in Numbers Against the practice there will be Unanimous Unification Then Justice will be the Word in Discussion."

Both Continued

"A Lot of Task will be in Achievement When People will refuse to Entertain Little do you know your taste of fashion is Equivalent to butcher's Participation."

"Your Decision of Fashion and Butcher's Participation is Equivalent Standing in favour of Animals is Valiant."

" My Curiousity is Forcing me to Ask a Question The Silence in the Surrounding has caught my Attention."

The Old Man Replied

" The Silence is But a Natural Action For Escape from the Cruel Dacoit's Clutches Escape is only the Solution."

The Old Man Continued

" For the Cruel Dacoit Mercy is Rarely in his Understanding Ability Hence to spread Terror he Uses his Violent Capability."

The Old Man Warned Lord Gautama Buddha

" If you happen to pass by the Forest Escape should be your Selection Not only does he Murders People but also Cuts their Thumb."

Lord Buddha Smiled

Lord Buddha Smiled and Continued Walking. Angulimala Stopped him again

" Am i Getting Angry by Fear's Absence Aren't You scared by the Most Powerful Man's Presence."

Lord Buddha Questioned Angulimala

" Hardly am i Impressed by your Declaration To Prove this Should I Suggest a Small Test as a Suggestion."

Angulimala Agreed

" Victorius will be the Word to Say As after the Challenge the Saint will surely Pay."

Lord Gautama Buddha said

Lord Buddha Smiled.

" Fear Will have been gone at the Quickest When Kindness and Compassion will be at the Earliest."

The Sage Opened the Hut for Lord Buddha.

Sarabjeet Singh- Tribute

A Mistake so Innocently Made. A Punishment So Harshly Given. Never Was Punishment The Expectation. Wasn't He the Victim of a Conspiracy. Never did The Man got any Support from Government. All He got was Assurance But What was Missing was The Attacking Stance. All We did were The Sweet Words. What was Failing was Action. All The Man wished Was Justice. He Hoped Some one will do Last Throw of the Dice. Mistaken as a Spy Wasn't He Innocent? Unity is what will Apply. Unite and Fight Then there will be Light. Unite and Object To Soldiers Who were So Punitive. Then The Result Will be Decisive. I Proud To be Indian.

Satirical Poem

The Story of the Blue Jackal had Indeed a Message to Tell Much can be Learned From the Short Tale. Wasn't The Jackal As Quick as a Lightning His Technique to Rule was Cunning Much Quick was the Declaration A Different Colour was in the Observation But Truth will surely Come i Let it be Slow and Steady A Lesson was Surely to be taught to the One for Power who was Greedy Another Message was Indefinetly Taught When the Rule of the Wicked is About to Grow It is our Right to Overthrow Much can be learned in Real Life If you want Justice to be Decisive The Common Man has to take The Initiative Then the Result will be Massive.

Save Animals From Circus

A Request So humbly made A Feedback so arrogantly recieved. A Respectful life is all what we want. Never was the scene so critical What people want is Entertainment What they need to see is to bw Practical what is delight for one is not a good sight for the other. What is needed is show the spectators the pain which Animals Endure for the injuries there is hardly cure Even in case of emergency How can stupid people under the right of choice be bossy? Even if they see injuries little will this pople have any effect Aren't the poor animals heroes inspite of the injuries they try to entertain The response of Protecting Animals has to be Massive Unity will be decisive. Irrespective of your interest in Animals. All you have to do is a ask a question. Will you do your entertainment's satisfaction had it been a man the obvious answer is you would have given him medical attention. Should be is not the answer which will give me satisfaction. Has to be is my expectation. Protection of Animals is as compulsory as protecting the country. Entertaining yourselves from Animal Labour has to be a crime and criminals should be given strict punishment.

Save Dogs From The Slaughter

The Unquiestionable Loyalty of the Dog.

His Loyalty all the Years go in vain as People turn it deaf ears.

The Dedication, Commitment and the Respect is what the People Forget. Humiliation and Pebbles is all they give.

It is time to remind That respectful life is what Dogs deserve to live.

The Word Loyalty has been answered in a ratherUnusual Creul Way.

Looks like To Invent Creulty Man is in a hurry.

So he selected to be Furry.

A Great job can be done by the Customers If they are shown the Process Practtically.

If they stop to Entertain.

What is Fashion for one is Murder for the Other.

How will be the Sight If Animals wear Human Ash Under the Excuse of Entertainment's

Right?

Experience is Surely Painful.

Fur can be Selected only by Sadistic Fool.

Save Dogs and Cats in China who will be killed under the Name of Fashion. Sign petitions,

Write plays, poems Agitations. Protecting Animals is as important as Protecting Country.

Save The Animals From Creul Expirements

For that we need a professor who will be ready to be tortured completely."

Often you will see People having a fight.

Where are this people when Stray Dogs were mutiliated and drowned just for delight? .

Every second of their life will become a tragedy in their memory.

Through this poem my views are all i exhibit.

PROTECTING ANIMALS IS MANDATORY. CONGRATULATIONS FOR BANNING THE SPORT OF JALLARIYAKUTTU AND BULL RACES.

The Bull's Request

The Importance of the Mighty Day has it's Own Word.

For The Day will Usher With Hope.

Optimistic Eyes Will Await The Decision.

With a Critical Stand The Need Arrives.

For Brutal and Gruelsome Tactics will be the involvement.

A Question of justice will have been asked.

For The Torture and Pain Endured

How Come Opting Silence is the Solution? .

As Soon as the Cruel People Will Gather

Than a Critical Stand Won't We Select? .

Inside the Ground Entertainment was the Word of Discussion.

But Won't The Scene Would have Changed

Had there been One Third of Active Participation.

What People need to Know is the Pain Endured by the Poor Bulls in Realization.

For Justice will Speak

When For the Pain Endured there will be Active Realization.

Reluctance Will have been been the Action.

When The Cruel Picture's Brutality will be in Active Anticipation.

For Torturing Animals can only be a Criminal's Capability.

To Defend his Act Such Heinous

Isn't he using the definition of tradition Such Erroneous.

If Torturing Animals Can be a Tradition.

Then of Criminal We will have to change the Definition.

With The Tastes and Interests of the People Gaining Prioritization

The Reality is that Against The Competitors they are scared of Justice's Initialization.

When The Competitors were torturing the Animal

Hardly Anybody choosed to take the Action Such Vital.

For The Crime Such Effortlessly Committed

Hardly has anybody taken the steps to Avert such Gruelsome

Crime.

Drastic Steps Await

As When Against the Crime there will be Steps Such United Then for Justice a picture will be Created.

What Dangers does the poor bull faces?

I	f we fail to take the Crucial steps
-	Then More Cruel Tactics will the people select.
	Pitiful is the Selection to be a Mere Spectator.
	A Mighty Change will happen
	When People will choose to be an Agitator.
	What Kind of Tradition is indulged in Animal creulty's
Promotion?	
	Little do the People Know
	They are Supporting Crime's Initialization.
	If in Staying Silent you are a selector.
	Between you and the Tormentor is hard to discriminate.
	As to Entertain Yourselves How can Torture Fascinate? .
	What has been a sight of Sordid return is nothing but your
Foremost fear.	
	To the Cruel Sight you have selected To stay deaf ears.
	What is about to follow are return of more cruel sports.
	If The Scene continues to prevail without Active

Fox (Smiles) - So Some one is scared of his Action and is warning to Initialize Little do you

Know to cause you harm i have no Intention.

(Man Controls his Fear)

Your Friendly Answer Surely has Changed my Action But Isn't Intrusion Merely your Intention.

Fox- Your Guess Deserves Accurate Intelligence As my Plight requires Special Attention and

Deligence.

(Man Affirms and Adds)

Could you give me a much better explanation?

Fox- Fashion is the Wicked Word in Discussion As my Plight is hardly in Anticipation.

Man- Urgent Steps Urge to be the Reply As How come your Priority you Apply?

Fox- What People Practice is nothing but Plain and Clear Murder.

(Man Affirms)

And to Stop such practice Efforts have to be harder.

Fox- Realization has to be in Active Numbers as Little do you know Your Participation is as

Good as the Butcher's

Man- My help is Surely in the Initialization But to help can you give me a Suggestion?

(Fox Answers)

As Said Earlier Realization Oughts to be the Word as When in numbers Against such practice there will be Active Participation then Change will be the word in Anticipation.

Fox- More Effective Will be the result when Acts and Laws will be in Implementation.

(Man Affirms)

With Quick results the Scene Will Emerge When Against Cruel Practice there will be mighty Participation.

Fox- Not only will it save my life but also it will stop you from the Cruel Participation

Man- As Soon as People will realize then Change will be the Word.

Fox- The Participation should come from the compassionate as well as the common man

(Man Adds)

Only then Change will be a Possibility.

Fox- If wearing Animals can be Fashion

Man- Then Assuring a Secured Life is double the Fashion Such is the Effect of Compassion.

Fox- Since Ages People have given their Taste Priority

Man- Hardly had Ever the plight of the Animal had been in the Human brain's Thinking Capability.

Both- When plenty of people will Indulge in Fur's Realization Then Change will be the Word as just

Assume in place of the Animal A Human Substitution.

The Plight Of Dogs And Cats-An Urgent Concern

The Plight of the Poor Dog Failed to reach the Human Eye A Change in the Attitude Was indeed a Surpise Considering the Increase in the Crime Rise. Cleanliness and Safety were just Mere Reasons. Little did they know they were fulfilling their Criminal Intentions. Inspite of the Increase in the Crime Rate There was Hardly an Positive Step which the Animals would relate. How Come Right of Choice was a reason How did they forgot the Four Lions in the Constituition? A Vital stance is Important Such Vital is the Positive Stance Sometimes a Victim of RagPickers Sometimes A Murder under the Excuse of Entertainment. Never was any type of Guilty on the Criminal's Face. Sometimes An Video made for Entertainment Little did they know they were doing nothing but Torment Not only the Dogs were Victim Equal Pain was Suffered by Cats. He Who Disallows Respect to Animals There is only one Answer for such Criminals A Practical Experiment of Pain For Such Criminals Prison is the Only Destination The Similiar Treatment will bring the Pasin in Realization Man has no Right for Selection Such Vital is the Issue of Animal Protection.

The Plight Of The Horse

This is The Story of Henry The Horse

Rarely his Condition had Effect on People
Little did they know his voice was Hoarse
Lot of Hardships he had to face
Just to entertain that Sad Face
Hardly did the People Cared
What will be the Effect
The Realization will surely Affect
The Issue has reached a Critical Phase
Only Strict Rules will have Faze
For Contribution to Save Horses
Participation has to be Dual
For the Plight of Poor Horse
We will Create a Duel
Much Strict should be the Rules
If the Issue of Animal Labour You Evade
Equal Contribution should be for their Medical Aid
Substituition will do the Task
All you have to do is in Place of Horse Human's Substituition
In your Mind Won't there be Sympathy's Inclusion
If Child Labour is Crime Animal Labour is Equally a Crime.
Abolishing Animal Labour is High Time.
Expliotation of Animals is not Allowed
Those who Entertain Animal Labour should be Beaten Aloud.

Your Active Presence will surely Assure the Practice's End When the Cruel Scientists will be shown their Real Destination Then in the Picture will be Justice's Initialization.

TAKE A CRITICAL STAND AGAINST THE SCIENTISTS WHO ARE SENDING

The Power Of Unification

The Required Responsibility Calls for the Common Man Never was the Scene Asking to Take the Charge With The Stage of Attacks so Rampant It is very Necessary to Become an Active Participant Such Vital is The Common Man's Participation Because the Condition needs Special Attention Ignorance Is an Evil Choice As What is Necessary Against The Cruel Practices we need to Raise the Voice. Abolition of Criminals we have to Enact If for the Attacks Criminals are Responsible In the Bomb Blasts our Share is Equal When the Criminals were on the Role of Destruction Ignorance was our Selection Equally Responsible is our Silence Take the Right Steps in Criminal Activity's Opposition Then the Attacks will be out of Indication Such Great is the Power of Unification.

The Preaching Game Of Cards

Thomas Said to Tobby.

" It had been a Long Time Since We had Derived Enormous Enjoyment By Planning something interesting let us make this a Successful Achievement."

Tobby Affirmed.

" With Our Trip in Active Anticipation Let there be Equal Effort to make it a real Expectation."

Thomas Said.

" Amusement will be at the Highest When to go Seal Hunting we will go at the Quickest."

Tobby Said.

"With Making Amusement at the Toughest Let us make a competition One Who hunts more Seals will be called the Best."

Both Went out for Purchasing Hunting Equipments.

Jack and Sam saw them.

Jack Said.

"Your Presence has been urging me to Ask a Question Why is Murdering an Innocent Animal your Intention? ."

Sam Affirmed.

" With Your Entertainment Gaining Priority Aren't you Potraying Animal Cruelty? ." Thomas Said.

"What Entertainment will be derived by hunting the creature By hunting them our Satisfaction won't we Assure."

Tobby Said.

" Once in a while comes the Season To practice our Interests Let there be Assured Affirmation."

Jack and Sam Approached Uncle Trevor.

"With their Action needing your Aid at the Earliest Attempts are needed at the Quickest."

Uncle Trevor Said.

"With The Need Arising to teach them a lesson Let your Participation Gain Special Attention."

Next Day Jack and Sam went to Thomas and Tobby's House.

Both Affirmed.

" What an Entertaining sight will be in the Vision When a good time will receive Special Attention."

Uncle Trevor said.

" In making The tower of cards one who will be Quickest By giving him reward we will felicitate him for being the best." Uncle Trevor Continued.

" But the Game will have one Inclusion While the players will be busy in construction to bring down your cards by blowing will be your opponent's Intention."

Tobby and Thomas Criticized.

" If your Rule Continues in the Visibility Then Arriving at a Winner's decision fails to be the possibility."

Uncle Trevor said.

"With the reply given at the quickest Someone has answered the solution at the best."

Uncle Trevor paused and said.

"With The practice In Active Anticipation Prevalent

the pain endured by the Seal is clearly evident

To the plight of the seal hardly has anybody showed up in active expectation Plenty of change will be the word

when people will realize turning the plight deaf ears they are as good as supporting the

tormentation."

" By Going in the Season Aren't you blowing their home such that they will go in Extinction."

Jack Said.

" Justice will have been Achieved in Immense When Against the practice there will be mighty presence."

Sam Said.

" Mighty is your presence As Positive result will have been Achieved When by Criticizing through polls and petition People will explain their Action."

Tobby and Thomas realized their mistake.

"With People's Tastes and preference gaining prioritization When Against the practice an unanimous picture of unification will be present Then Assuring a gruesome and punitive punishment will be a possibility And thus justice will be evident."

Jack Said

" It all starts with the Bad Gang's Coercion They Force me for their Assignment's Completion."

Jack Continued

" If Regreted to be an Active Part They just tear me Apart."

Uncle Trevor Smiled

" On Hearing Your Plight The Need Arises to tell you Something that will bring you Delight."

Uncle Trevor Brought Some Blocks. Uncle Trevor Said

" All You need to focus is the Construction Rarely to any other Activity Will you Pay Any Attention."

Jack Built a Pyramid. Uncle Trevor Said

"Won't The Pyramid will be a result of Destruction If In Active Anticipation will be my Obstruction."

Jack Said

" But With your Obstruction in Active Anticipation Isn't this unfair Practice as an Active Assumption."

Uncle Trevor Smiled

"Your Plight is Similiar to your ConstructionTo Harm You Nobody will be CapableWhen Against Such People to take a Critical Stand Will you Enable."

Uncle Trevor Continued

When in our Country there was Alien Domination
One Man Stood up and used Non Co-operation
His Stand had one Speciality
Never did he used any Violent Stategy In his Assumption
All he did was the Weapon of truth to make our Country a Secured Destination
We Call him the Father of the Nation."

A TRIBUTE TO MAHATMA GANDHI.

The Purr Of The Helpless Cat

The Definition Of Cruelty Took a Different Turn The Word Amusement was Part of the Definition. Behind the So called Amusement Cruelty was the Intention. Steps Needed are Urgent. Little did he Had any Sympathy for the Poor Cat. Such People are nothing but Criminals. What is needed to show is their Real Place. For Such People the Ideal Place is Prison In Sympathy we have no Admission. Treatment for Such People has to be Similiar Such that with Pain They become Familiar. How come Giving Shots of Electricity be called Amusement? Such People only wish to fulfill their Criminal Intent. Steps are needed which will be Massive Against Such People We have to be Agressive. Then there will be Justice's Definition. When a Hard Trashing and Long Criminal Sentence Becomes his Destination.

There was The Poetry Competition.

Every Competitor was Equally Matched,

But Jack and Sam were the Weakest Ones.

There came Thomas and Tobby

" Take a Look at their Patriotic Composition

They are Sure to get Imposition."

No Sooner Tobby and Thomas Teased Than they were joined by Alan &

Harris

" In Errors They are Leaders

They urgently need a Grammar Teacher."

They Continued

" The Grammar will surely be a Reason

The Judge will rarely pay any Attention."

There came the Teacher

" Little Critics Surely have a Story to tell

Without Errors How can Any one Excel? ."

Teacher Continued

"You Gave So much Importance To Grammar

What Lacked Was that you were Hardly Practical."

Teacher Continued

" On the Other Hand No matter how many Grammatical Errors

did they made

Practical Thoughts Immensely came to this Little Poet's help." Teacher Continued.

HAPPY AUGUST KRANTI DAY

The Unification Of The Brave Men

Thomas Tobby and Travis were Brave Boys. But All had Differences in their Opinion and Thinking.

One Day a Group of Civilians came to their House for help

"With The Torture of the Theives and Conmen in Active Existence

Your Help is Required to make Justice Prevalent."

Thomas Said

" By Seeking our help Correct is your Selection

With our Participation we will Assure that Strict Punishment becomes the Criminal's real

Destination."

The Civilians went away happily

All Started Discussing their Strategy

Thomas Said

"With Evidence the Necessity."

Thomas Showed his Camera and Continued

" Plenty of Task will be Acheived When My Camera will come in Active Capability."

Tobby Disaffirmed

" Evidence Surely urges to play an Active part But Deligence the Word as as Alert Watch will surely Enable to Accomplish the task Such is my Idea So Smart."

No Sooner did Tobby said than came Travis's Reply

" Both The Ideas Certainly have a Story to tell

But As Long as Unification will not be in the Visibility Success won't be in our Capability."

All Started Fighting. There Came Uncle Trevor. He Smiled and started loosening Iron Nails from the Electric Circuit Box.

All Smiled

" With Your Act urging to ask a Curious Question Can we ask the Logic behind the Action."

Uncle Trevor Smiled and replied

" At an Immense speed did your reaction came

With the Iron nails in their job Consistent

If the Iron Nails are removed won't their use will be as good as a futile Accomplishment."

Uncle Trevor Continued

"With the Story of Iron Nails So Similiar With this story and Your Differences Aren't you Familiar.'? "

Uncle Trevor Continued

"When in our Country there was Alien Domination Three men stood up Against the Cruelty of the British they showed their participation."

Hard was the Scene Harder was their Stand In a loud Voice they said Long live the revolution Vital was their part as Slowly but surely came the Initialization."

All Realized their mistake

"With our Ideas Effective at it's best But Differences have to be resolved at the Earliest to ensure Results Quickest."

Instead of Giving up a Fight. You decided to call a Right of Choice. All i knew was the Collection. That was my only source of Protection. Never did i saw a Positive Voice. All you people knew was Rejoice. No Matter the Pain I recieved in Entertaining You. Hardly Someone Paid Attention. All i urged was Urgent Action. Never were the Policemen up for Action. All they did was Warning but no Strict Action. I Was beaten, Injured All you have to do is to imagine yourselves in my place. The Pain, Agony Suffered is out of your Imagination Hundreds of you would have joined hands had it been a Child or a human. How Come Animal Labour be Amusing to you.
