# Friendship

It all started in a April Fool's she got mad at me for a really dum ay passed by or anger grew more and more eachday we passed by eachother in the halls not even a single questions that go through my mind are Why did you had to choose me as you best friend? Why did it had to be me the one that broke our friendship apart those are my questions WHY? ?

# Love At First Sight

Im in love, the fist time i saw you i looked into your eyes just saw a bright sparkling that day and on my love for you grew more and more eachday and e kept on telling me stuff you loved me but i didt believe in oneday i believed and i found out it was only for a y later i didt believe in love at first sight never again in my life: -)
