A Child

A Child Is Like A World Of White Sheet
Let Him To Paint His Imagination

A Child Is Like A God's Pure Feet
Let Him To Shown Up His Full Of Creation

A Child Is Like An Empty Glass With Full Of Thirsty
A Child Is Like An Empty Class With Full Of Anxiety

His Innocence Makes Him Innovative
His Commonsense Makes Him Creative

His Honest Makes Him Hero...His Unbalanced Thoughts Makes Him Solo

Like A Tree...Let Him Free

Because A Child Needs Free Of Education Not Free Education

Don't Waste Your Tears

Don't Waste Your Tears..Make Use Of Them To Clear Your Fears
Make Your Surrounding Cheer.. It Is the Best Way To Live Dear
Before Taking Someone Suggestions....Remember That You Are The Only One
Who Will Take Your Own Decisions

Because The Only Relationship In Which We Can Express Our Feelings Without
Any Formality Is ??Friendship? & With Punctuality Is ??Love?

Freedom

Dear Indians,

We got freedom to our country but we are still fighting for freedom in our country....we have the freedom to live in this country but we have no right to live freely in this country...

We are not asking for the freedom like a bird in the sky... Knowing our values what we really need and Fighting for our rights what we really want is the true Freedom....! !

Life Is All About

Who Wants Too Much Sorrow
Who Needs Too Much Glad
Life Is All About Collection Of Feelings

Who Wants Education Without Innovation
Who Needs A Person Without Profession
Life Is All About Collection Of Thoughts

Who Wants A Nation Without Protection
Who Needs Population Without Passion
Life Is All About Collection Of Emotions

Who Needs This Life Without Love
No Men Needs This World Without Women
So Life Is All About Just LOVE & LOVE...!

'Love' Love Letter

Every one want's to lock their HEART door's with a key of HAPPINESS.. But in reality they are not supposed to stay in it even a second...So dear LOVE.. Please book your day for me at least on this #HappyPromiseDay...Even i'm not sure..May be today also my heart remains hanging up with that TO-LET board..I trust U.. But i have fully doubted upon my coming SOULMATE..

Love Is Enough

Love is enough to share any feeling..
Don't loose even one hope... Enjoy every moment...!

Life is like a just small library room...
You can't understand even a single sentence...!

Blossom of roses only for you...Just unlock your heart for me...
Here breathless life is waiting for you...Just be with me forever

Oh Beauty just here to me.. You are the only best gift for me

Don't think negative...I can't hate you...Just be with me forever and ever...! !

Daily i can see your face...Those cute cheeks brighten even in the night

Slowly i addict to your eyes.. My heart is turn into flight my love

Never Hide Your Attitude

Your beauty hidden in your hope...

Your hope hidden in your thought..

Your thought hidden in your Attitude...

But you can't hide your attitude from any one...

So be alert and aware of your character which reflects what you are

Oh My Love

Oh My Love... Oh My Love... Come closer to me
Oh My Heart.. Oh My Heart... Just listen to my beat

I want to say something what you waiting for... I want to know something what
you know before to you...

Caring for someone is not an easy thing...Don't leave me alone

Still today you never feel my feel.. Don't you feel.. Don't you feel...? ?

Every day i wanna be your smile.. In your life hold me tight! !

Can't you notice my Intention... In your sense innocence

Don't my love made you fully glad even a one second? ?

Sai Teja

Smile

Season Will Vanish... Relation Will Vanish
Hope Will Vanish... Fame Will Vanish
Moments Will Vanish... Feelings Will Vanish

The Only Thing That Will Never Expire In Your Life Is Smile...!
I Will Give You Surety.. Since It Is A Life Time Validity
So Be It On Your Face Every Time

Sai Teja

Stop Running My Friend

Stop Running My Friend... First Say Hi To Yourself
You Are Waiting For You For A Long Time
You Want To Spend With You... You Want To Talk With You
But Till Today You Have Not Done That Work
Start Caring Yourself...Stop Ignoring Yourself
Trust Your Heart Because It Only Speaks With You Rather Than Your Talk

Sai Teja

The Way You See This Life

The way you Think..The way you Blink
The way you Talk..The way you Walk

The way you Love...The way you Live
The way you Dress.. The way you Address is must be Unique
