## saif gallant(24/7/94)

Masters in English|Lawyer|Peacemaker|Romantic poet|Knowledge Freak|

I believe in love and peace, war can only create hatred and take all the smiles once we as humans had.

The belief in super natural source of evil isn't necessary when men alone are capable of some wickedness.

# 'A Beautiful Visage'

A special place for you and me  
An undying bond to guide us free  
Loneliness blocking the day  
Our Love lighting the way

Your gentle touch  
Your smiling face  
There is no corner  
No dark place

Our passion flowing in the waves  
My heart stands still  
Awaiting your pace

Our love, withstanding time  
Diminishing doubt, in our mind  
There is no place I rather be...  
Than in your heart and in your dreams.

## 'An Ugly Sonnet'

A poem badly written remains so  
Whether the scribbler likes it or no  
Words throw jibes at his perseverance  
While verses struggle to make sense  
Sometimes the ideas turn renegade too  
As emotions are denied and stanzas rue  
During such moments, life is like a simile  
Cut loose from figure of speech with glee  
Under the wall of ceaseless expectations  
Over the bridge of limited conventions  
Nowhere to go yet left all loose  
Lacking humour it can so damn use  
Meanwhile, an innocent page stays old-schooled  
For rhyme's sake, poetry gets fooled!

# 'Betrayal In Love'

As I sit in my corner and think about your lies,  
I have nothing else to do but break down and  
cry.

You knew it would end,  
You knew it would die,  
You knew one day we'd have to say goodbye.

You told me you loved me,  
You told me you cared  
But the rage inside had slowly flared.  
The moments we shared replay in my head  
Along with all the sweet lies you said.

You thought it was a game  
You thought you'd win  
But in the end you felt nothing within.  
Deep down inside there was a big empty  
space

That I now realize you couldn't replace.  
Something about you helped me see  
That without love I'm finally free.

Free from pain,  
Free from lies,  
Free from having tear filled eyes.  
Without your love I finally see  
All the horrid things you've come to be.  
I though u were an incarnate barbie,  
but u tend to be an annabelle!

## "Dreaming, For This World'.

I, foist was there a world,  
with no boundaries to share,  
smile everywhere not emotions in despair,  
no borders to cross...  
no anthems to sing,  
like paradise full of canard,  
no papers for buying and selling,  
even coins won't speak,  
no tears wasted on death bodies,  
where hatred paid no fear,  
wrong crossed no one's road,  
none lost in frenzy of gold,  
wish was there a world  
with children smiling all around,  
Laughed and twitter and made some noise,  
no line drawn between gender  
no song of evils to render,  
colors to celebrate... not to discriminate,  
lifeless felt life in art,  
A hack of Lore's can go on,  
no war to run,  
no leaders shunned,  
no bullets to eat, no worries to meet.  
we'll know how to rule our streets,  
dreaming for this world shall continue  
until this world believes that dream's comes true.!!!

# Education Not A Biness!

Learn and gain education,

Leads you to more wisdom;  
Makes you a gentleman,  
Learn and gain Education.

Brings us to civilization,  
Gives us the prosperity,  
Peace, pleasure and modesty.

Uplift a backward Nation,  
Flourish a community,  
Cast, creed and humanity.

Only true education,  
Drives away superstition,  
Darkness, cruelty and violence.  
More you learn, more you gain,  
Through a perfect education.

# 'Gallant Cries Day'

LOVE O! love where have you been?  
My eyes are wondering to see you within,  
LOVE O! LOVE where did you go?  
my friends say you are along with my foe,  
LOVE! O LOVE how can i repent?  
You know me well i'm still a infant,  
LOVE! O Love my vulnerbilities are with you?  
With fake smile of plight and i m having a rue,  
LOVE! O LOVE didnt blood of mine suffice,  
That you took it to envy me with such a price,  
LOVE! O LOVE! Your fake promises made me suffer,  
Waiting for you has been an encumber,  
On this beautiful day, O love where mates are under shadow,  
Going with my twilight of the career still sits with sorrow,  
Clopaine or dopamine cannot define,  
Still living with those meomeries of shine,  
Let them fell and water this motherly earth,  
Where lovers like me are often hurt,  
Pain is love and love is pain,  
Where mistakes are always refrain,  
What's love but a knot that's  
not binding.  
LOVE O! LOVE here comes the end of all,  
I am in this world but I ain't  
sure if I am of this world.  
Love! o love finally one question for you,  
What's heaven but the womb  
you can never go back to

# 'Its Maybe You'

The shouting silence fills my  
head,  
Starry skies were clouded by  
the loneliness  
I felt. Your smile invades and  
diminishes the dark  
Surrounding the fiery hell. We  
live in purgatory.  
Planets revolve around your  
liberated heart.  
The stench of fear consumes my  
oxygen,  
But you are there like my  
guardian angel,  
Holding me through ineffable  
times.  
The pain had roared wilder  
since they left.  
I stumble; life' s hurdles mock  
me,  
They whisper at me, trying to  
make me give in.  
My soul is still only half as  
special as yours.  
Yet the rays of your sun reach  
out and feed me your strength.  
Though the chasing of that  
ticking clock may catch up with  
you,  
An unwanted enemy.  
No longer will your fire burn.  
Darkness will not devour you  
though,  
For I will be there for you like  
you were for me,  
And never ever let you go.

# 'Long Live Nepal'

World has caught humans  
In darkness,  
Looking for a safe light,  
We cannot find any sparkness,  
Because god has called nepalis on the paradise flight.  
Tears are the raindrops of the soul  
And there's one for all who die.  
They are the silent words of grief  
As they fall free from the eye.  
The shortest verse in the quran  
Is the one where prophets wept  
So, if you hold back tears, shed them  
When your pain is too harsh to accept.  
Tears are lovelier than a smile  
When they come from those you love  
As they seek relief from sadness  
When you're summoned from above.  
Tears are a love-mates humble gift  
When it's time to say goodbye  
Though the eyes are wet and swollen  
With time and patience they dry.  
Sorrow is better than laughter  
For by grieving, we're improved.  
Blessed be all who morn  
Till from sadness they're removed.  
After death our souls shall fly  
Perhaps from star to star  
Reaching our destination  
To find Heaven's gate ajar.  
God made us able to cry  
Sorrow teaches us to fear  
Those days we're selfish and cruel  
When life is so short and dear.  
Time wipes tears from all faces  
Whose hearts are tuned to sorrow.  
Those that cry a thousand tears  
Shall be blessed by tomorrow.  
THE most compassionate land of the earth,  
Gives a condolence from a grateful hearth

# Maa Ki Mamta.

Choti si thi mai, Wo gale lagakar roya karti thi.. kehti thi bohot si baaten wo mujhse Bohot se sawaal bhi kiya karti thi  
na jaane kya kya Ghum liye bas jee rahi thi wo ek aisi duniya me jaha uska koi nahi

Bas ek pyaar Ki Talash thi usse aur mila wo hi nahi..

Kabhi haste haste wo roya karti thi  
Kabhi rote rote hasa karti thi  
na jaane Kya Paana tha usse  
bas apne baccho k liye jiya karti thi..

Koi umeed na thi kisi se na tha koi sahara uska  
Bas apne hi khayalo me Jiya karti thi  
magar mujhe wo sabse zyaada pyaar kiya karti thi...

Aaj uski Surat to nahi dikhti magar Uski aahat zaroor mehsus hoti hai  
Aaj Uski awaz to nahi Sunai deti magar Uski Baaten zaroor yaad aati hai

kitna kuch keh gayi wo humse Kabhi kuch na kehkar magar Us aakhri waqt me  
Maine sab kuch sunliya tha Usse apne gale lagakar..

# 'My Intelligent Dumbo'

Your eyes are magical,  
your lips seducing,  
your like the drug i cant  
get rid of,  
your the obsession that runs  
through my head all the time,  
you seduct me into your lies,  
make me feel like the most  
important person in your life,  
when in reality im just a toy to you,  
you make me want you more  
and more each day,  
by just one word that you say,  
i try to forget you,  
but the more i try the more you  
stay in my life,  
maybe its cause i'm in love with you.  
i say u insane,  
which is ruffian, which is a clue.  
that you love me too...

## 'New Fairy'

I met a girl with beauty insane,  
to the light of sun with bit of rain,  
with those background scores behind the scene's,  
you could know what that I mean,  
There was smile once again on my face,  
where my demotivated vanity now was in solace,  
with lots of protocol imagination evasive,  
where anxiety travels as far as elusive,  
with life being on the cross roads of qualms,  
lack of emotions with dandy charms,  
loneliness passing the way,  
while enlightening darkness with supreme dismay,  
Her presence make my hours better,  
Unlike those holocaust which i spend in loiter,  
She is boisterous a cat wild,  
But cute as cupid as a girl child,  
Dumbness may define her quality,  
That's what most of you may called my fallacy,  
My love for her may have begun,  
But to confess her this maybe a true heaven.

# Sorrow Echoes

She would not stay for me, and who can wonder?  
She would not stay for me to stand and gaze.  
I shook her hand, and tore my heart in sunder,  
And went with half my life about my ways.  
No one sees and no one tries  
to find the pain in lonely eyes  
They're strong and bold they hide the tears  
that many people cry in years  
And yet at night when no one's there  
they cry alone but no one cares  
Friendless days and last goodbyes  
lie in the heart of lonely eyes.  
Love is rare and it's fair,  
About separations, no one cares,  
One fine day, she left me alone,  
With a reason, dump and thrown.  
Society and parental respect,  
Everyone is, there to introspect.  
Love marriages are tough,  
Every genre from Plato to Bieber,  
Why patriarchal, so much cares for neighbors,  
Breakups, oh breakups you are hard on earth,  
Humanity dies, cos our knots aren't of our worth.  
Live another day, with pain and sorrow,  
Encumbered yet smiles we borrow.  
Let's do this and sleep again,  
Cos love is nothing but bountiful pain.

# Syrians Ko Salaam. (Salute To Syrians)

Syria oh Syria why do you bleed?  
Brother fights brother without thought or need  
Ruled by a tyrant for so many years  
And now the spilt blood is washed away by tears.  
On the shallow beach  
Your body was floating  
Cold, Quiet  
Eyes open, looking for hope  
In humanity, that is lost  
Under toned roofs and bandaged hearts,  
On scattered graves where soldiers strut,  
Adrift, in disbelief their souls part,  
'It's the terrorists, led by tyrants! ' they barked.

No! No! People they are, children there are!  
Who laughs, chuckles & gaze upon stars,  
Short-lived and silenced, by the canons roars'  
Resistance forms, hopeful to end the war.  
The Defense Contractors  
Continued to earn their profits  
As the Syrian people  
Buried their Dead.  
No end to the Genocide  
In sight.  
Just another ordinary day,  
For Syrians heavenly flight.

To Hell with all Facades of Civilization!  
To Hell with Humanity!  
To Hell with Spirituality!  
To Hell with 'Compassion';.  
Let's just Make Money  
And Profit off the Deaths  
Of Innocent People instead!

This new world order  
is more like disorder.  
such a serious disorder  
psychological disorder!  
There's no more Syria  
all is left is Fearia  
and here in India  
it's the State of Disturbia  
we're severely disturbed,  
our minds are polluted  
we're like half-people,  
alive but executed.  
Some big sharks  
sharp their teeth on our bones.  
World is again invaded by fascists  
or their even worse clones!

# The Angel Of Life

Some people believe there is a one  
The one who points your way to the  
sun.

A person they believe makes them  
complete

The one who will support when facing  
defeat

'You are my angel, ' my one and only  
My forever love, so we'll never be  
lonely.

You've brought to my life all your love  
and care

It made me see when I realized ho  
rare..

It is to meet your angel, or their  
lifetime one

Through you and my children, who  
life has begun.

What you've done, you've illuminate  
my soul

It's you and your love that has mad  
me whole.

The feel of your love, your soft touch  
and caress,

We're tight so close, your heart beat  
in my chest.

All that we have always felt missing  
before

Though I love you today, tomorrow  
will be more.

Our love is life, we are the stronge  
tree

Which will always grow forever, like  
you and me.

You have opened my heart and held  
so dear

You are my angel, and will always  
keep it near.

You have seen my ups and cared

when I was low.  
'You are my angel, ' I just need you  
know.  
You entered my life through a ray of  
sun above  
And when we leave, we will leave  
together in love  
My love for you has become my reason to be  
I hope one day you'll find your angel in me.  
That is the day when stars will sparkle and fell on stone,  
Where ill be the king wearing the crown,  
Hoping for love from your ends,  
To be moreover then a girlfriend.  
Your my love your my care,  
The reason why am I havent been in despair.  
My love is for you and it shall remain true.

# The Gallant Saga

The fountains mingle with the river,  
And the rivers with the beautiful ocean;  
The winds of heaven mix forever  
With a sweet emotion;  
Nothing in the globe is single;  
All things by a law divine  
In another's being mingle-  
Why not I with thine?

See, the mountains kiss high heaven,  
And the waves clasps one another;  
No sister flower could be forgiven  
If it swank its brother;  
And the sunlight clasps the earth,  
And the moonbeams kiss the sea; -  
What are all these kissings worth,  
If thou kiss not me?

# 'The Gallant's Interval'

That very first day that we met  
It's a feeling I'll never forget.  
All the experiences that we've shared,  
I knew right away that you were rare.  
You see, it's hard to find a someone like you,  
Usually they're too good to be true.  
Though I should've entered with more ration,  
But with you I felt so much passion.  
I wish those things had never happened.  
It feels as though my love's been abandoned.  
All I wanted was to make you happy,  
So why is it that I have to feel so crappy?  
I want nothing more than for us to move on,  
But it's so hard now that the trust is gone.  
I want to get past this, I really do...  
What can I do to make you be true?  
My love for you is like an undying flame.  
And I once wished for our love to remain.  
The reason I left you alone,  
Was because myself error prone,  
You were a day dreamer a hard worker at times,  
Someone who enjoins me in my innocent cruel crimes,  
Your dreams were big; a fairy tale,  
So that's why I don't accompany you to get fail,  
I'm a fag, an enigma blue,  
Your lover indeed true,  
I'm Keats the obsessed lover,  
A knight for you forever,  
Chase your dream's you are free,  
Hope you on the greatest stage will back see me,  
Good bye, it's just a break,  
I'll meet you soon after your take's.

# 'The Lame Ending'

Jaan! oh jaan!  
The stars are diminished in  
Dark,  
Our love has enlighten the society through its spark,  
The smiles on the face of yours and mine,  
Werent they too sublime  
To the suns tail of shine,  
This world is a nasty place of greed and pride,  
Where we lovers cannot be each others bride,  
Maybe betraying the parents wont be a good choice,  
But did they ever thought of our ease and rejoice?  
Even the birds and the planets has their own milky way,  
But our happiness and freedom still has a societal dismay.  
Romeos and juliets had the same grief,  
No wonder why the stories have always been in brief,  
Our dreams of walking with toe to toe,  
Has gonna be end due to your and parents and our foe,  
Will we still carry the same message of sacrifice,  
Immortality of love with our sad demise,  
Lets us live some of our life together,  
So that those glimpses shall stay forever,  
Maybe endless pains will carry their charges  
And emotions overflow,  
Our love story ain't a fable but a full house show,  
Hold my hands hold it tight,  
Kiss mi baby with all your might,  
Hold mi darling in your loving arms,  
I can see all your charms,  
Sweetheart as i am dying on your lappy,  
As i am closing my eyes,  
'U be strong and never cry'  
Let not be a rebel let not be a provoker,  
Let the people to decide!  
Was this a murder or a lame suicide? ...

# The Message By An Indian Soldier.

i find my self where i never meant to be.  
away from all my friends and all my family.  
lock and load as i say my prayer.  
this must be every mans nightmare.  
i cant believe the position im in.  
i thought murder was a deadly sin.  
and here i am stuck in a war.  
i dont no if i can take much more.  
the fight starts and we charge the field.  
a rifle is the gun i wield.  
i run for cover as the bullets fly in the air.  
i look for my allies and they're not there.  
i turn to shoot and get shot in the chest.  
i close my eyes and im at rest.  
i must be dead because what i see.  
is every one living happy and free.  
i look and see im at a gate.  
Gods there to decide my fate.  
i tell God im sorry for what i have done.  
he looks down and says i forgive you my son.  
for you have just come from a terrible place.  
and it is called earth its my biggest disgrace.
