How Big Is Life? ? ?

How big is life, It is so short
Live it happily, coz it's the only one u got.

Live every moment, Live like a king
Coz once it's gone, you will not get a second inning
Whatever you do, give it your best shot
Live Life happily, coz it's the only one u got.

Love all people, never hate
Life may go anytime, you never know the date
Use all your energy, empty your pot
Live Life happily, coz it's the only one u got.

Make new friends but don't leave the old
If new ones are silver, the old ones are gold
Do crazy things, but never get caught
Live Life happily, coz it's the only one u got.

Life is a big movie; we are its star cast
Live every day, as if it's going to be your last
You will take back nothing, nothing you had bought
Live Life happily, coz it's the only one u got.

Value your time, it's very vital
You will be known by your work, not your title
Add life in your relations, never let them rot
Live Life happily, coz it's the only one u got.

Always be happy, make others smile
Help those in need, be versatile.
Stay humble, never be snot
Live Life happily, coz it's the only one u got.

Do work a lot but spare some time
Relax and enjoy, remember family is prime
Always say I can, never say I cannot
Live Life happily, coz it's the only one u got.

Whatever you earn, give something to the poor

Success will be yours that is for sure
Do good deeds, that's what we were taught
Live Life happily, coz it's the only one u got.

Love your parents, never hurt them
They are the root, you are only a stem
They ate a few and gave you a lot
Without them you are totally a nought
Live Life happily, coz it's the only one u got.

See big dreams, make them come true
Go out there, they are yours to achieve
Be a growing line, never be a dot
Live Life happily, coz it's the only one u got.

Learn new things, gain lots of knowledge
Get new skills, Life is like a college
Do every work, something better than not
Live Life happily, coz it's the only one u got.

There will be days, when you will feel a lot of pain
Forget such days, dance in the rain
Never complain, be satisfied a lot
Live Life happily, coz it's the only one u got.

This is life, it is like a race
Cherish every second, but keep your pace
During the journey, you will face a lot of taunt
Ignore them and do what you want
Everyone's got problems, just need to change your thought
Live Life happily, coz it's the only one u got.

My Dear Nephew

Oh dear nephew, my dear nephew
Very few hv been as special as you
I will stand in d world's longest queue
Just for the moment of watching you

Babies when they come, they bring a lot of joy
It really doesn't matter if it's a girl or a boy
24 hours for the babies, the mothers live
And its only happiness that the babies give

My dear nephew, the time since you have come
Moments of sorrow have been few or none
We hv enjoyed every day, it has been a delight
Nights have been shining, days have been bright

We have seen you grow, Step by step
From crawling on the floor to walking every step
Now you run around d house and make a lot of noise
We always eagerly wait to hear your voice

So the moment has come, when you will grow one,
Time just flew, we never knew when
Now as you grow one year old
U might not know, but your value is as gold

May ur life be filled with fun and pleasures too
May you get all that you want, God bless you
You always be like this, and may happiness forever stay
Wishing u my cutie a very very HAPPY FIRST BIRTHDAY! ! !
