An Engineer

## Within....

'No mate no comrade,  
Still happy within....  
Swimming into the Sunshine,  
Head held high  
Stuffed with imagination,

That:

A beautiful girl  
Dancing & Playing within...  
The clouds...  
Spreading the fragrance  
Of happiness within...  
The Ambience.

But today's is the different Sun,  
The different Clouds and the SKY...  
Aha! My Imagination came true...  
It was day of incarnation,  
Of That Angel of my Day-Dreams...  
One mate one comrade,  
Now I was swinging within...  
Me and my new pengea of happiness...

Let's Enjoy the Day,  
The Golden Day....  
A new beginning with...  
Energy and Enthu.....  
My Dearest of Dreams stepped into,  
My Life....'

# You

YOU

Had He is the PARTH, VASUDEV SRI KRISHNA

Is YOU!

His all WAYS and RAYS emanate

From YOU!

.....And terminates

To YOU!

His whole WORLD resides

Within YOU!

He learnt "dreaming"

Watching YOU!

His Dreams got translated

Into YOU!

The Cup of His Happiness lies

Within YOU!

He hath all but nothing

Without YOU!

How can He expect His Existence?

Without YOU!

He is a Drop, You are the Ocean

He wished to lose His Existence

Within You!

The Cup of His Happiness lies

Within YOU!

The Cup of His Happiness lies

Within YOU!

The Cup of His Happiness lies

Within YOU!
