sarah rucker(june 1,1986)

hi im sarah, im 23 years old and i am a waitress at cracker barrel. when i was 21 years old i was pregnant for the first time and i was 8 months along and on july 11 2007 i went to the doctor with back pains and found out that my son was no longer alive and i found out that i was going to have to give birth to my son while he was dead and then i would need to bury him. so needless to say my life has done a complete 360 for the worst since that has happened and im just know hitting rock bottom realizing that my life needs a dramatic change or i wont make it much longer. so i found my self on this website and wanting to put some things into words to fuel some of the pain so here i am please support me in my journey to a better tomorrow. thank you! ! !

My Little Boy

JONATHAN ELIJAH SHARP

TO ME THIS MEANS

LOVE

LIFE

HAPPINESS

LAUGHTER

SADNESS

TEARS

SUNSHINE

TO ME THIS MEANS EVERYTHING

TO ME THIS MEANS NEVER SEEING HIS SMILE

THIS MEANS NEVER HEARING HIS LAUGH

NEVER SEEING HIM WALK

NEVER HEARING HIM TALK

TO ME THIS IS MY CHILD

TO ME HE IS MY WORLD

TO ME HE IS THE WORLD

I WILL LOVE HIM FOREVER

So Far Gone

how did i get this far gone
my life was fine
everyday i crave this monster
that has my life turned upside down
i've lost the ones who care
i've lost my own son
at the hands of this demon
who has me so far gone
i have nothing left but the will to live
i know one thing
i can never give up
my life is not over
for it has just begun
i will rid of this demon
that has my life spun around
i will push on
even though my life is so far gone
today is a reckoning
i will no longer answer this demon
i will fight for my life
because it is worth fighting for
this demon i speak of is cocaine
today i will turn my life back around
