# Democracy

I am, who incorrect the Prime minister  
Really you know that  
Not even a single friend.

I am, who incorrect the Prime minister  
But more prohibited is to  
Maintain mankind & holy wish.

I am, who incorrect the Prime minister  
Better days went away  
Yet  
Men speechless!

So  
I fall all moments!

But, I believe that  
All this will exit  
Future assembly election to come.

# Forgive Me

Forgive Gungun

As I love you

And as it is

Mixed freezing-mixture in my blood.

# Grave

Grave in such a calmly serene place,  
I feel like loving death's humming grace.

# Gungun

My home is not a peace-place  
Without you.  
Peace for yours not for me  
Home is only yours  
Without me.

But  
I will never live in home  
without your lightning face.  
You are my memory  
Towards a new life

So  
I will carry your memorable past  
Deep in my heartiest heart.

# Infinity

I am no good one  
You are no bad one  
So I want your moony face  
To live on.

# Job

I saw a dreamy girl.  
Her name was Gungun.  
She invited me to her heart  
I walked with her long away.

When I have fallen in love with her  
She was silent!  
And she became a stranger!

# Limitless Love

I can't spend a moment  
without you  
Because I may be love  
& You are lovable  
It would be intact  
In my heart forever.

I know some pity have on us  
who have to build our relations  
So, you come to me  
A house of dream  
where there is nothing  
But limitless love  
To grow & grow.

# Live

Your eyes dance  
For I. To dream on  
I live to dance for naturally life.

Your eyes dance  
For my devotion  
I live to dance for existence sake.

Your eyes dance  
For our discrimination  
I live to dance for your dreamy sake.

# Read

When I  
Read you with love  
Then  
I am feeling you  
How I can say?

Shahin Latif

# Silent Love

You may give me ghastly disdain  
Yet,  
I will love you more  
in the newer life,  
That's my tranquil feeling.

# Sweet Cloud

I give you the solitary cries of night  
My heart, a purse,  
My sweet cloud!  
But there's nothing else in it,  
that can be given.
