# Break Up

The feeling you gave me  
Now I'm sitting here alone under this tree  
The warmth of your body  
I miss it so much  
Everytime I looked in your eyes  
I saw everything I ever wanted  
I never wanted to lose you  
But I've lost you  
The day we broke up  
My heart broke into a thousand pieces  
I know the love is over  
But I'll never forget the sweet memories

# Love...

Love Can Be So Beautiful  
Love Can Be So Painful  
Love Can Be Happiness  
Love Can Be Sadness  
But Once In A Lifetime  
You Met Love Which  
Can Be Everything You Ever Wanted

# Stronger...

There were times I had nobody  
I had to solve it on my own  
Just me alone  
Everyone tried to pull me down  
I'm still asking myself WHY?  
But luckily I've always been strong  
I never gave up  
And today I'm stronger than ever

# Without You...

Every Day That Goes By  
I Miss You More And More  
My Life Is Empty Without You  
The Meaning Of My Life Is Gone  
I'd Do Everything To Have You Back  
Because You Were So Special To Me  
You Were The One Who Made Me Happy  
You Were The One I Woke Up For Everyday  
I Just Miss You So Much

# You...

The first I saw you  
I fell completely in love with you  
It felt like magic  
The first time you kissed me  
It was like firework  
I'll never forget that day  
You changed my life within a minute  
You brought so much happiness to me  
And I'll be forever thankful baby
