# God's Got Your Back

Yo, listen up, I got a word for ya,  
'Bout a higher power who knows your struggle,  
He sees all the Chaos, every injustice,  
He's gonna make it right, show some real kindness.

When the time comes, you'll see it unfold,  
He'll turn your situation into gold,  
Blessings'll rain down, you'll be prosperous,  
Vindicated, honored, He'll make you famous.

People'll know, without a doubt,  
That God's got your back, no need to pout,  
'Cause when He steps in, it's a game changer,  
You'll be the one, with the upper hand, no strangler.

So, stand tall, be confident, know your worth,  
'Cause God's got a plan, for your new birth,  
Just trust in Him, and let Him lead,  
And you'll see the blessings, in your life, indeed.

This message is true, it's not just a tale,  
Hold on to hope, let your spirit soar,  
'Cause when God settles, He'll make it worth,  
Your while, and you'll be proud, forevermore.

# Unity And Love In The Church

Yo, listen up my fam, it's time to come together,  
As siblings in the Lord, let's put an end to the chatter.  
This gossipin' and backbitin', it's gotta stop for real,  
It's causin' division, keepin' folks from the Sunday feel.

Let's bring that love of Christ back to the church, you dig?  
That agape love, unconditional, genuine, no fake.  
Show that love through your actions, let it shine bright,  
Bless us all, may the Lord's grace be our guiding light.

No more of this divisive mess, we gotta stick as one,  
United in the faith, until the Lord's work is done.  
So let's rise up, church fam, and spread that love around,  
Raise our voices in praise, 'til His glory's holy sound.
