# Why Me

i sit lonley wndering where could be  
i cry and scream aloud why me  
why do i show pain by hurting myself  
why cant i be like anyone eles  
why do i try so hard to be me  
why dont they notice im hurt or can the not see  
im a deer in headlights  
im a boxer that cant fight  
im a student that cant learn  
im a match that cant burn  
but you ask me why you no why me? ! ? ! ?
