Love Me

I'm a rock
That I had been called blossom
I remember your low voice
I remember your blue eyes
And my heart always remembers you
Oh love me, love me, love me

I'm an empty-headed rock
I wouldn't have known that you were a glass
I shouldn't have kissed you
I shouldn't have hug you
I love your tears
Oh love me, love me, love me

I 'm the lord of the rocks
I love my silence
I love the sea
I love the roar of the wind
I love dancing of water
Come into my arms
Oh love me, love me, love me

I'm a lonely rock
I'm not a mountain
I'm a small stone
A stone in your heart
A stone in your hand
A stone in your eyes
I can't believe...Oh lord, have mercy
I'm a tombstone.
Please don't leave me alone
Oh love me, love me, love me
