Slowly wanting to die  
It always makes me cry  
Me just wishing to die  
My entire life makes me cry: '(  
My family & friends  
I will forgive them in the end  
My life is so messed up  
I can barely keep up  
From the yelling, to the arguing  
My ears ache with pain  
Because im the only kid getting yelled at  
Its like they only know my name  
They making me want to die  
Just so i can cry no more  
The tears that roll down my face  
Are from pain, suffering, and hate  
I feel so unloved, and misunderstood  
My family does not get me  
Who i really am  
I dont think they will really understand  
That im hurting so bad inside  
Yes, im different, but is there sometiing wrong with that?  
All I want is for them to understand  
That my heart is breaking inside  
Im a mom, a daughter, and granddaughter  
But thats all they know  
Because im hiding who i am  
From my family till the end  
im sorry to say but....  
My life is starting to drift away.

## **\* Plz Don'T Go Dd \***

U can't leave me.  
Your my only sis, my real sis  
Im lost without you by myside  
If you go & join the other teen suicides  
Well time can stop & and take me too  
Because I'm nothing without you

Can't you see, hear, how much I love u  
If you die & leave me here alone  
I'll feel lyke an orphan  
In this HELL we call our home

I know how u feel, I know your pain  
I know it seems lyke the only way out  
Is to take your only life  
I was just lyke you DD  
And for some strange reason  
You think i'm lying

Remember when you caught me hanging myself  
You cried, and screamed  
But they got the life back into me  
If it wasnt for you, their would be no me

You saved my life, now its tyme I save yours  
Because Destinee (DD) your lyke my only family  
I love you DD, even if you dont love me  
You'll always be my only real sibling.

\*u mean so much to me DD, I pray & hope  
that you dont ever leave me\*

## **\*\* We R Who We R-Ke\$ha\*\*3 My Song :)**

Hot and dangerous  
If you're one of us, then roll with us  
'Cause we make the hipsters fall in love  
When we've got our hotpants on enough  
And yes, of course we does  
We're running this town just like a club  
And no, you don't wanna mess with us  
Got Jesus on my necklace

Got that glitter on my eyes  
Stockings ripped all up the side  
Looking sick and sexy-fied  
So let's go-oh-oh, let's go!

Tonight we're going har-har-har-har-har-hard  
Just like the world is our-our-our-our-ours  
We're tearin' it apar-par-par-par-part  
You know we're superstars  
We are who we are

We're dancing like we're dumb-dumb-du-du-du-dumb  
Our bodies go numb-numb-nu-nu-nu-numb  
We'll be forever young-young-y-y-y-young  
You know we're superstars  
We are who we are!  
DJ turn it up  
It's about damn time to live it up  
I'm so sick of being so serious  
It's making my brain delirious

I'm just talkin' truth  
I'm telling you 'bout the shit we do  
We're sellin' our clothes, sleepin' in cars  
Dressin' it down, hittin' on dudes, hard

I've got that glitter on my eyes  
Stockings ripped all up the side  
Looking sick and sexy-fied  
So let's go-o-o (Let's go!)

Tonight we're going har-har-har-har-har-hard  
Just like the world is our-our-our-our-our-ours  
We're tearin' it apar-par-par-par-par-part  
You know we're superstars  
We are who we are

We're dancing like we're dumb-dumb-du-du-du-dumb  
Our bodies go numb-numb-nu-nu-nu-numb  
We'll be forever young-young-y-y-y-young  
You know we're superstars  
We are who we are

DJ turn it up-up-up-up-up-up-up  
DJ turn it up-up-up-up-up-up-up  
DJ turn it up-up-up-up-up-up-up  
DJ turn it up-up-up-up-up-up-up

Tonight we're going har-har-har-har-har-hard  
Just like the world is our-our-our-our-our-ours  
We're tearin' it apar-par-par-par-par-part  
You know we're superstars

## **\*i Need A Miracle....I Need U\***

I used to have a happy life  
But I seem to be missing something in my life  
I feel so empty inside, without you  
I don't even feel like me  
I'm different now, I so have changed my ways  
I'm not the innocent one anymore  
I'm bad, sad, never very glad  
Just one sad life  
I need a miracle...I need you  
To help me through the pain  
I need you to be by my side  
I will wait for the day  
I get blessed with someone as special as you  
To put a smile on my face  
I wanna feel your warm embrace  
To put me in a happy place  
I need a miracle....I need you  
To come be with me forever  
Never, ever leave me, or let me go  
I'll fall 1000 feet deep  
To the darkness of an abyss  
Without even a last kiss  
Before my final breath  
I need a miracle...I need you

you & I have so much in common  
wow....think of us as a mystery  
we we're always together  
never apart  
until the day my bestie tay moved away  
she left me all alone & sad  
she didnt even come see me and say goodbye  
she left me at a bad time  
she left when I needed her so bad  
I was sad, lonely, and depressed  
for the longest time I will admit

You're like a candy store  
And I'm a toddler  
You got me wantin' more

Your love, your love (yeah) [x4]

[Verse 1: ]

Yo(yo)  
He the type to pop tags and be cockin the brim  
Might breeze through The Ave, might stop at the gym  
And he keep a du rag, keep his wave on swim  
Wa waves on swim so they hate on him  
Anyway I think I met him sometime before  
In a different life or where I recall  
I mean he was Adam, I think I was Eve  
But my vision ends with the apple on the tree  
'S' on my chest cause I'm ready to save him  
Cause I'm the one like I'm Tracy McGrady  
And I think I love him like Eminem call us Shady  
When he call me mama, lil mama, I call him baby

[Chorus: ]

Shawty I'm a only tell you this once,

[Verse 2: ]

He they type to keep a couple hundred grand in the rubberband  
Just left Money Gram in the Lemon Lam  
Hot damn make me scream like summer jam  
I mean that nigga must be from the motherland  
Anyway I think I met him in the sky  
when I was a Geisha he was a Samari  
Somehow I understood him when he spoke Thai  
Never spoke lies and he never broke fly  
s on my chest let me get my cape on  
With a certificate that I changed my name on  
Na Na Na Name on  
With a certificate that I changed my name on

[Chorus: ]

I Have A Very Soft Heart  
And When I Get Some1 I Love Upset  
My Heart Just Starts Hurting So Badly Deep Down Inside  
Makes Me Always Break Down And Cry  
I Try To Please My Family & Friends  
But I Try Even Harder To Please My Boyfriend  
Because Without Him I Am Nothing  
So I Try All My Hardest Not To Do Anything Wrong  
...But Just To Say That.....If I Ever Got Him Upset....  
Then I Would Have To Try Even Harder..Not To Punish Myself...  
I Cry&Think...If Im Really Making My Babe Happy?  
When We Talk...Sometymes Its Lyke My Babe Is Unhappy  
I Really Love Him...With All My HEART  
That If We Were To Breakup...  
I Would Forever Have A Deep Hole In My Heart  
I'd Be Lost Without Him...Unhappy Forever...  
I'd Stay Locked Up In My Room...Thinking, Wondering  
Wondering Why? ...What Did I do? ....  
Did I Say Something Wrong? ...  
I'd Do Anything To Be With Him  
ALWAYS & FOREVER  
So When I Hear That Your Hurting...I Just Feel So Guilty  
Lyke Because Its My Fault Your Unhappy  
So Baby I'll Do Anything To Make You Happy  
Because Babe I Really H8te To Hear That Your Upset  
That Just Makes My Heart Start Hurting So Badly  
Feels Lyke Im Getting Stabbed With A Knife  
Because I Hurt My Baby  
Sometymes That When I Feel So...So...SO.. BAD...  
....Because I Hurt The 1 I Love  
I Feel Lyke I Should Just Go & Die! ! !  
But I Know That If I Die...It Will Not Only Make My Family Cry  
But The 1 Who I Call My Love...Will Live His Life Wondering Why?  
Why Did She Die? ....What Could I Have Done?  
But I Hope You know Baby.  
That My Love For You Will Never Die.....  
I Hope You never Forget Me....But Babe..  
Its Your Choice To LOVE Me...  
But I'll Always Be Your GURL

FOREVER & ALWAYS

ILOVEU BABY; -\*

Makes me wanna go DIE any second.  
Take my life no AND end it ALL!  
END my pain and suffering!  
END all the confusion I have DEEP DOWN!  
I cry almost EVERY NIGHT  
And think about my depressing LIFE!  
I want ANSWERS to my unasked QUESTIONS!  
I want my family to be PROUD of ME!  
And try their HARDEST not to get me SO DOWN!  
I feel worthless and DEAD!  
You dont even know the real HALF of it!  
BECAUSE I know how to hide my PAIN!  
As the pain BUILDS up!  
The more I feel as if im just FADING AWAY! ! ! ! !  
I FEEL unwanted, & unloved!  
Im just 1 Depressed 18yr old mother!

# Almost Time

My time has come  
For me to leave this earth  
To go and leave my family  
So I could be 6 feet deep  
No one cared  
They didnt even notice  
Im a depressed daughter  
All alone tonight  
I cry, and cry  
Can't even stop  
As im crying in my room  
I wonder and look  
Into my closet  
Wondering if its time  
Im hurt not loved  
I listen and hear  
My beloved family and friends  
I cry more and more  
Because im so scared  
To lose them  
But then I think of my pain  
Listening to the  
voices and whispers  
Making me lose my mind  
Gaining control of my mind, thoughts  
Just wanting to kill myself  
But will they care?  
Because no one is even there  
To catch me if I fall  
And can't get back up  
But in the end im depressed and lonely again

\*no one would even care if i died...theyd just throw a big party\*

## Am I A Fool...To Fall In Love With You! ? .

Am I a fool...To fall in love with you  
Yes, I know your perfect in everyway  
But do you mean what you always say?  
Do you really love me? ...or am I a fool...  
And your just pretending  
Im just so scared that imma get my heartbroken again  
I always smile when we talk...  
Then come the butterflies in my tummy  
I just hope im not a fool..To fall in love with you  
My love for you will always last  
As long as you dont make me feel like a fool...  
All because I fell in love with you  
You say ILOVEU...and I believe it  
So I hope that youre not faking it  
My love for you is so real  
That you have my heart..Till the end of our time  
I just hope and pray...That I didnt make the wrong mistake...  
To fall in love with the Perfect babe.  
...So as I end this poem babe...All imma say is...  
ILOVEU my =]

## Break Free... /3

She hurts in some kinda way,  
She drowns in her own pain,  
She as so many mistakes, but still  
She looks okay  
If you look closely into her eyes you'll,  
See she is hiding behind a disguise,  
She is definitely not fine,  
Cuz her smile tells millions of deciding lies,  
She is dying on the inside i can see,  
Because i know that girl, I know who she is,  
I know what she feels...  
She is screaming, bleeding to just break free,  
To be the girl she always wanted to be,  
I've seen those scars of grief,  
Those scars of relief, those scars of grief,  
Each scars with it's own story, it's own history,  
She loves strange music it keeps her calm,  
The lyrics that make her feel that she belongs,  
She hates mirrors cuz true reflection she sees.....,  
Is something ugly I know this girl,  
I know who she is,  
I know her personality.....  
Because this girl SHE IS ME....

# Can'T Sleep Without You!

Without you by my side,  
I cant help but stay awake all night,  
I miss you holding me in your arms,  
I miss your conversations,  
I miss how much fun it was whenever your around, ..  
I cant stop thinking about you,  
I miss you so much,  
I cant even sleep,  
Im up all night..  
Thinking about you,  
Wondering if you even miss me too!  
I 'DREAM' about you every time I go to sleep,  
I wish that you could see all the love that I still have for you.  
You always made my day better,  
If it was going BAD!  
Your the only person who understood the person that I really am...  
But now that you wont come around  
Dammm I just dont know what to do anymore,  
I have no one to talk!  
Without you here,  
It feels like I have NOTHING!  
I wish I was with you,  
Where ever you are...  
I love you with all my HEART!  
I feel like im dying everyday we are apart!  
Without You Here....  
I Cant Sleep without you!

# January 6,2007

On this day  
My life came to an end  
Because the one i loved  
Was badly burned  
1st,2nd, and 3rd degree  
My babe was badly burned

That night he left me  
To Utah so unexpecticly  
So lonely, So sad  
I just wanted to be with him  
Just hold him  
To show him that he was  
Loved <33

He was gone so long  
I just couldnt resist  
I wanted to see him  
Even if it was just real quick  
He loved me  
And i loved him  
The thought of us together  
Would just never end  
I cried and cried  
Because i knew how much pain  
You were in  
I wanted to see you  
BUT.....  
You were to SCARED to see me

This HORRIBLE day i lost YOU  
And you lost ME ; (

# One Cut At A Time

I cry and think  
Am I doing the right thing?  
I live in my own lil world  
As I blocking out reality  
In my own lil corner  
Cutting my pain away  
Just 1 cut at a time  
Im bleeding constantly  
Not stoping the blood  
As I cut myself more and more  
My sorrows start so fade away  
Losing so much blood  
I lay on my floor in a puddle of blood  
Not caring if im dying or not  
But just 1 cut at a time  
Slowly makes my sorrows go away

I'll never forget you,  
My true bestfriend,  
Without you im nothing,  
Just a sad girl,  
In the end,

I will never forget,

Wishing you were here,  
But all our great memories,  
Will for sure always last,  
Even if they are,  
In the past,

# Shanowa ~n~ Felipe

From when they met  
To together now  
Shanowa and felipe  
Are together forever  
They're there for eachother  
Cry together, sleep together  
Trust eachother  
But for sure they're in  
LOVE <3 WITH eachother

In the morning  
Like breaking dawn  
There always together  
But we all wonder  
Just for how long?  
They both made mistakes  
From cheating on eachother  
To ignoring one another  
Then making up again

He loves her, she loves him  
And yet they both hurt eachother  
But with trust and hope  
Shanowa will have felipe  
And there relationship  
Together, I hope/pray will last forever  
I don't want her to get hurt  
Shes my favorite cuz'n  
I'll take care of her, listen to her  
Talk to her, and look out for here

Shanowa and felipe  
Well lets just say  
They work  
There happy together  
In love with eachother  
Together forever

It must be true

That opposites attract  
Cuz shanowa and felipe  
Are exactly that  
Hes way different then she is  
Nothing in common  
Only 1 thing  
They both LOVE to smoke weed  
When ever they can  
Shes a small town girl  
Hes a big city guy  
I wonder if they're ment  
To be together

# Silent Tears

So much pain,  
So much hurt,  
The tears that fall,  
Are silent and unheard,  
So much grief,  
So much sorrow,  
So many tears,  
That run with,  
The sorrow,  
The pain I hide,  
Will never be seen,  
Sad and lonely,  
Theres no one here,  
But the darkness,  
Of my shadow,  
And my silent tears,  
That follow,  
So unloved,  
Dont belong,  
Need to run away,  
These silent tears,  
Have gone on to long,

## Aka (Taylor \*n\* Ashley)

Still my friend and me,  
Me and Taylor,  
Will always be,  
The best of friends,  
That has now come to be,  
The star of a new Chapter of,  
(Taylor and me)

But the summer that was ours,  
Was the summer of ('04') ,  
Always together, Never Alone,  
No one can break what me and her have alone,  
So much im commen,  
We're treated the same,  
You seen me go threw hard times,  
Those bad times, Even the most horrible,  
You where always there for me,  
And you can always count on me,  
Need a friend i'll be there,  
Need to talk, i'll always listen,  
But if i ever lost you,  
Or you lost me,  
We both would be,  
Nothing without eachother,  
We would both have a big black hole,  
Deep in our heart,  
That place is where your love once was,

We like/love the same,  
Music,  
We have the same,  
Lives,  
I know all your secrets,  
And you know all mine,

# To The (Grandpa) I Never Met

For the longest time,  
I never knew,  
I was claiming another grandpa,  
And that man wasn't you,  
When I was just,  
15 years old,  
I found out the truth,  
So many lies,  
I didn't know,

I wish you were,  
Here today,  
Because we're alike,  
In so many ways,  
I'm just in a horrible place,  
If you could have just,  
Seen my face,  
You would feel,  
A warm embrace,

The thing I couldn't face,  
Was having to know,  
That you put yourself,  
To peace,  
Without knowing me,  
Meeting me,

But Above ALL....  
seeing me!!

# Waht A Life....

Since I can remember  
My life has been missed up  
From being raped and depressed  
To losing friends I loved the most  
I have a bro I never see  
He doesn't even know about me =(  
I want him back I need him now  
I want him to know he has big sisters  
That are grown and proud  
I love our mom, I hate his dad  
His dad is the one who messed me up

But ENOUGH about that on with my LIFE

So I went to a boarding school  
In the winter of 2005  
It was either there or expelled from school  
LOL....I was a runaway for the longest time  
And on suicide watch all the time  
Treatment never helped  
My family is the only treatment I need

But when I was like 7 or 8  
I was in the middle of a shooting  
In my very own house  
My unkle was shot in the arm  
Well saving my baby sister  
He is still alive but now messed up  
He enjoys pain like its nothing...how kraizy

My very own father  
Left me without saying GOODBYE or I LOVE YOU  
It made me very sad and angry inside  
He was like gone for 2 or 3 years  
He said he had a better life in MISSISSIPPI  
I was here and he was there  
He always callin me an worthless daughter  
What a father huh?

I lost my friends and family  
My messed up life in STABCITI

I DECEMBER OF 2006

I took 40 high pills  
I died for awhile and came to every once in a while  
It scared me and my family  
I didn't know who they were  
Even tho I was there world  
I wanted to die, I didn't care  
To me it seems as if you  
Want me to die  
I feel no love inside  
I feel all blue =(

But life goes on no doubt  
But for me it wont  
Because right now im dead  
Sad and lonely on my bad  
As tears fall down my face  
Looking into space  
I cope with my peace  
Looking down on me

I'm still a cutter  
I watch my blood  
touch the atmosphere, with my blade  
As I watch with shame  
Didn't know who to blame  
I was stuck in the shadow of death  
As they wait for my last breath  
I have to cope with all this stress

I hiding behide my disguise  
Never knowing whats going on  
Im the last to know, to hear  
And this was suppost to be my year=(  
But on well it dont really matter  
To me anymore.....

So I got to school  
Back and forth everyday

Because theres no one to see  
If u know what I mean?

(almost done)

i try not to hurt myself, but soon i will  
my life seems to be fading away  
day by day i suffer with pain & hate  
makes me wanna take my own life  
i have no support from family, only friends  
i wanna die but i dont think i can say GOOD-BYE  
even tho there the ones makin me suffer  
putting this pain & hate deep down inside me  
my pain feels like 1000 stab wounds deep down in my heart<3  
its broken so many ways  
im hiding my painful thoughts  
but i never used to...but when i showed them  
its like they never cared....so EFF IT  
i will bottle my pain forever  
till i close my eyes forever
