No matter your attitude, I will love you<3  
You shall not be replaced by anyone,  
As you have caught my heart,  
Do not let it go..  
I love you so please, please know <3

# A Brighter Day

The day will come for all to see, The sunshine let the hate break free-Chains  
Broken and hearts healed just believe that day will soon be revealed. &#9829;

# Bent Not Broken

I'm Bent not Broken  
Fixed when My world Opens  
Old Stories Told  
New Friend-ships Unfold  
I'm Bent not Broken

I'm Bent not Broken  
With words Unspoken  
True Love is Fraud  
Its Silence- No Applaud  
I'm Bent not Broken

I'm Bent not Broken  
As my Life slowly Fades  
I Handle a Blade  
I now See Death  
I've Loved you with My last Breath  
I'm Bent not Broken

# Can'T You See?

Shout my Name

Hear me Cry

Watch the Rain pour from the Sky.

See the Pain

Hear the Shy

Can't you tell, they're Dreams are High

See the Weak

Feel the Strong

Someday our Lives go On. &lt;3

# Chris3

In my universe I am no longer alone  
You are here with me and well known  
I have summoned you a long time ago  
You give me love that's what I know

I feel stronger and all around reflected  
You make laughter easy and perfected  
Looking in the mirror I see a different me  
You own my heart and hold the master key

When I'm sad you hold me and smile  
You let me be without cramping my style  
You anticipate what I want to say each day  
Chasing my nightmares and horrors away

I learned to trust you and opened my heart  
You never disappointed me from the start  
You have awakened the music I never heard  
I feel secure and believe in your every word

My life is easy because I have you around  
No longer holding back emotions are unbound  
The love I give you is undisturbed and free  
You know I'm yours not needing a guarantee

You communicate wisdom with each touch  
My life is happy because you share so much  
I have your back no matter of the situation  
You are my Soulmate not needing confirmation  
I love you<3 Je t'aime.

# Dear Sorrow, Death Awaits Your Acquaintance

The rain keeps Falling  
And the Pain goes on  
Your name I try calling  
But the words just pass on by  
The air  
Bitter and cold  
The shivers now suddenly unfold  
I start to lose my breath  
And once again see death  
Face to Face we see  
That life for me, isn't supposed to be  
'She is Not important,  
Shes lost in the shadows..  
Drowning in grief and pain  
There will be no tomorrow,  
For she is all Sorrow'  
'She is all sorrow'  
There shall be no Tomorrow for Dear Sweet Sorrow.  
Sorrow, Sorrow In the air  
Death Has come so stay prepared.

# God

God Speaks In The Silence Of The Heart.  
Listening Is Only The Beginning Of The Prayer.

# I Have.

I've loved you all along..  
But I guess you can't look right in front of you..  
Because that is where I am.. </3

# Lost Friend.

This is the poem:

Around the corner I have a friend,  
In this great city that has no end,  
Yet the days go by and weeks rush on,  
And before I know it, a year is gone.  
And I never see my old friends face,  
For life is a swift and terrible race,  
He knows I like him just as well,  
And as in the days when I rang his bell.  
And he rang mine but we were younger then,  
And now we are busy, tired men.  
Tired of playing a foolish game,  
Tired of trying to make a name.  
'Tomorrow' I say! 'I will call on Tim  
Just to show that I'm thinking of him.'  
But tomorrow comes and tomorrow goes,  
And distance between us grows and grows.  
Around the corner, yet miles away,  
'Here's a telegram sir, ' 'Tim died today.'  
And that's what we get and deserve in the end.  
Around the corner, a vanished friend.

# The Pain.

The Rain hides my Tears  
The Rain destroys all my Fears  
The Rain keeps flowing Day after Day  
The Rain washes up brand new Pain.

# Walk In The Rain

As I walk in the Rain, the tears flood down my cheek..  
I feel so much Pain, I don't always play Hide and Seek..  
I'll be walking along.. Into the green..  
To find my true love.. In misery..
