Do They Care Tthats The Question

be aware of people who say they watch those who you notice that stare, for those are the ones that you should be scared. should you let those be heard? i would say no, cause those are the ones that you willl olny get how can you be sure? for that is a true question! is there a cure for all that hurt? Not as far as i heard, that i know for sure

Living With Friends In Arizona

living with friends with friends, kick'n' back and learning how to live, growing together through the hard times and good this brings love. People dont know how to listen, but a friend will always be there when you need love that friends share must go love that friends share must go on and on and on all my true friends here in arizona ralph kathy sandi,

Mimes

a mimes expressions is shown through his mime is no quick mean or naughty,
the fun that he makes is not be mean, its to bring happieness to all he has
remember the next time you walk down the street, that the world without mimes
would never be complete. dedicated to my mother love you mom this one is
for you
