# Aaj Sanvidhan Aya Tha

Aaj sanvidhan aya tha  
Sanshodhan b aaega  
Aesa din BHARAT ME  
gantatra diwas kehlaega

Or dharm k nam pr  
Desh ka namkaran karne walo  
Pehle ye batao  
Bina dharm wala insaan kaha jaega

Aaj sanvidhan aya tha  
sanshodhan b aaega

Insaano k jhund ne  
Milkar kanoon to bana diya  
Pr har insaan tak is kanoon ka gyan  
Kon pahuchaega  
Or meri baat ko hasi me lene walo  
Meri bat yad rakhna  
Jab-2 itihis badalna hoga  
Bhagat Singh jaise bhai ko bhul jaenge  
Koi Vibhishan jaisa hi Nam aaega

Sanvidhan aaya tha  
Sanshodhan b aaega

# Hai Raktdan Hi Mahadan

Hai raktdaan hi mahadaan  
aesa kehne se kya hoga  
socha hai  
koi na koi shaksh  
bewaqt  
raktheen marta hoga

hai rakt hi jeevan  
hai rakt hi maut ka karan

par ye sirf mere kehne se kya hoga

ek chillaye to shor  
sare chillaye to jor  
batao har gali  
har chauraha  
har mod  
raktdaan se nhi hota sharir kamjor

socho jo har 3 mahine me  
raktdaan karta hoga  
aakhir vo bi to insaan hoga

Hai raktdaan hi mahadaan  
aesa kehne se kya hoga  
socha hai  
koi na koi shaksh  
bewaqt  
raktheen marta hoga

ye rakt is sharir me  
ma ne humari sawara h  
ye rakt nhi humara h  
bhagat singh sukhdev ne diya tha lahu jis ma k liye  
aaj usi maa ne hume pukara h  
tumhare 1 bottle khun se bahuto ka bhala hoga

agar tum nhi karoge raktdan  
to un durghatna grasth logo ka kya hoga  
jo ladte h seema par  
un jawano ka kya hoga  
jo masum bachho ko janam deti h  
un masumo ka kya hoga  
aakhir insaniyat k liye kuch kartavya to humara hoga

Hai raktdaan hi mahadaan  
aesa kehne se kya hoga  
socha hai  
koi na koi shaksh  
bewaqt  
raktheen marta hoga

# Jo Aashiqui Me Sarvsrestha Hota Hai

Sapne me jab koi anjana chehra aata hai  
mat pucho yaro  
tab sone me kitna maja aata h

mummy meri naraj rehti hai  
kehti hai

raat bhar tu fb  
aur subah der tak kyu sota hai

unhe kya pta ki

jo aashiqui me sarvshresth hota hai  
vahi sota hai

# Kaisi Ye Raat Hai

Kaisi ye raat hai  
dur hai tu mujse  
or tanhayi mere sath hai

roj subah dil se  
nikalti yahi fariyad hai  
ki raaste me mil jaye tu  
par meri kismat badjat hai  
kya ye sirf mere hi jajbat hai  
yaad me teri ho jati subah  
or fir ho jati raat hai

Kaisi ye raat hai  
dur hai tu mujse  
or tanhayi mere sath hai

mast chandni or yaado ki sogaat hai  
hi-hello huyi nhi  
na huyi koi baat hai  
aakhir kaisi ye shuruat hai  
aankho me tasveer teri  
or hontho me kuch baat hai

Kaisi ye raat hai  
dur hai tu mujse  
or tanhayi mere sath hai

# Kami Reh Gyi

Jindagi me takrar bahut milli  
kami reh gyi to bus pyar ki

suna tha ki ek achha dost hi  
achha jivansathi ban sakta h

kami reh gyi to bus aese yar ki

isi bahane me apne dosto se pyar kar betha  
bato hi bato me ijhar kar betha

jawab mila

tum mere achhe dost ho  
shayad

kami reh gyi to bus jhoote jajbat ki

Aakhir meri galti kya thi  
yhi ki me har kisi ko hasata tha  
apni bato se dil k kareeb aajata tha

shayad me aajad parinda hu  
muje bandishe pasand nhi

fir aakhir kyu

kami reh gyi to bus khulle aasman ki

# Khuda Ki Khudayi Se Khatarnak Mujse Judayi H

Ek din dikha denge aye hasino  
k hum bi kuch khas h  
abi jan k bi anjan bante ho  
abi to bhatere mauke mere pas h

fb me request accept nhi karti  
or karti h to reply ni karti

najane unke jehan me ye khayal kha se aata h  
k mera nasha fb se sanso me utar jata h

najane kisne ye afwah failayi h  
k khuda ki khudayi se khatarnak mujse judai h

# Kismat Meri Badi Kutti Chij Nikli

Kismat meri badi kutti chij nikli  
me chahne jis ko bi nikla  
vo sali.....  
kisi or ki nikli

mayusiyat mere chehre par cha rhi thi  
khamoshi meri dastan bata rhi thi

fir bi me hara nhi  
kismat ne abi pura mara nhi  
jiyunga me bi shadi shuda  
marunga me bi kunwara nhi

socha  
dil se me tera khayal nikal dunga  
par kambakt  
jab bi meri sanse chali  
teri kahani nikli

Kismat meri badi kutti chij nikli  
me chahne jis ko bi nikla  
vo sali.....  
kisi or ki nikli

# Proposal Poem

Bade dino ke bad tere chehre ka didar hua hai  
mukarta raha jamane se  
par aaj manta hu ki ha muje bi ab pyar hua h  
kal tak tha jo kaliyo ka deewana  
Najane aaj kyu  
phoolon ki khusboo se bimar hua hai
