A Fragile Heart

If I place my heart in your hand will you keep it safe for me?
Will you cherish, love and protect it and treat it compassionately?

I trusted another with its keep, once a long time ago,
He mishandled it... dropped it and broke it... fortunately, not irreparably so.

I picked it up and took it home and hid it away for awhile,
It was so damaged... nearly destroyed... very sensitive and fragile.

I was able to put it back together, but it has never been the same,
It's still too fragile to trust to anyone, who plays an unfair game.

It's way to delicate to be mistreated, or tossed to and fro,
And until I met you, my friend, I was afraid to let it go.

I'm beginning to think it is possible, to expose it again- to love,
If the person that I entrust it with treats it gently.... like a dove.

Although it appears the same as all others, it's from a special lot,
It may not seem distinctive to you, but it's the only one I've got.

So, are you able to keep my heart safe? I know it's a lot to ask,
Be honest, if you can't promise at this timeyou may not desire the task.

I'll just keep hoping the time will come... all good things usually do.
I've learned to be patient, and I'll recognize the moment...

I should give my heart to you.

A New Love

The night I met you, I never imagined,
that I'd feel the way I do.
I promised myself I'd never let anyone get close,
but somehow you managed too.

I've been through so much in this life of mine,
I haven't been truly happy in awhile.
But with you its like everyday gets better,
and I'm always wearing a smile.

When you came into my life, you made things right,
you put together what others tore.
You took away my doubts and insecurities,
and reminded me of what I was living for.

They say love finds you when you least expect it,
and now I believe that to be true.
Cause just when i finally gave up,
god gave me his blessing by sending me you.

You've really made a difference in my life,
I love you baby, I really do.
And I hope and pray you feel the same,
cause I'm looking forward to a future with you.

So thank you for putting a smile on my face,
and giving me the faith that I lack.
Thank you for not being like the others,
but mostly, thank you for loving me back.

A Poem For You

I never really knew you,
you were just another friend
but once i got to know you
i let mii heart unbend
i couldn't help past memories
that would only make me cry
i had to forget mii first love and
give love another try so
i have fallen in love with you and
i will never let go
i just had to let you know and
if you ever wonder why
i don't know what to say just know
i'll never stop loving you
EACH and EVERYDAY
and always remember one thing
I LOVE YOU

Always & Forever

Why can't we be together?
this question troubles me inside,
you mean the world to me,
and these feelings I can't hide.
You make me smile,
when I see your face.
no one will ever take your place.
you are the one I want,
you'll always be in my heart.
I hope and pray we will never part.
I'll do what ever it takes,
to make you my man,
believe me I will do,
what ever I possibly can.
I really don't understand,
how you make me melt,
with the slight touch of your hand.
you are the sunshine in my day,
and I hope I am here to stay.
even though we can't be close together,
I will love you Always & Forever

Be Careful: What You'Re Holding Is Mii Heart

Be Gentle: Wat ur holdin is mah heart.

remember in ur honesty my pride.

if u dnt want 2 see me, please dnt hide

the truth, yet tell it wit sum art.

Though u may not have asked for me to call

a single leap of hope must be allowed.

not easily are shy songs sung out loud.

yet now i wait alone outside ur wall

You try and play me...
but it does not hurt...
I already kno that all guys are jerks

you like to steal our hearts...
but not some gurls 'cuz wer jus to smart...
you think you're a player...
it could be true...
but karma's a bitch n it'll get back to you
you can't hurt this BOSS...
'cuz i fear no man...
shit I finally understand...
you can't get nowher in lyfe if you stay tru...
shit guys are mii roll models...
ask your homies why I played you...

Find A Guy

Find a guy who calls you beautiful
instead of hot.
who calls you back when you hang upon him.
wait for the boy who kisses your forehead,
who wants to show you off to the world when you are in sweats.
who holds your hand in front of his friends.
who thinks you are just as pretty without makeup on.
one who is constantly reminding you of how much he cares,
and loves being with you, and how he's the luckiest guy in the world
to have you. the one who turns to his friends and says 'That's Her! '

How I'M Feeling For You

Your the only one I want in my life.
Anything you want I will do,
and it's true
Just hush, and you could have a piece of my love
I would like for you to hold me in your arms
I would like for you to love me
Your warm touch makes my day
And I realize I'm the one that belongs to you
Our feelings for each other are strong
When you hold me in your arms please don't let go
Because i want you to know that.....

I LOVE YOU!!!!!!!!!!!!

I Always Think Of You

I always think of you

in my sleep,

in my dreams,

I always think of you

all day, all night,

hoping that you're alright

I always think of you

wishing that you thinking of me too.

every minute, every second of the day.

i think of you in every special way,

I always think of you

i really do,

all because

I luv you

Sunni Merritt

I Love You With All I Am

I luv u wit all i am

and all i'll ever be.

u are mii moon, mii sun, and stars,

mii earth, mii sky, mii sea

My luv for u goes down & down

beneath both lyfe and death,

so deep it must remain when I

have drawn mii last faint breath.

Holdin u for months & years

will make tyme disappear,

will make ur lips mii lips, ur face

mii face, ur tear mii tear;

Will make us one strange personage

all intertwined in bliss,

not man or woman, live or dead -

just nothing - But A KISS!

I Want To Be With You

I sit here in the night
Staring into the heavens above.
Wondering if I'm lucky enough
To be given your love.

Even though I met you
Just a few days before.
I have learned so much of who you are
And thirst to learn even more.

I want to share my world with you,
All the smiles and all the tears.
I want to learn to trust again;
Something I haven't done in years.

You are very special to me,
You have kindled something new.
I want to feel loved in my life,
I want to be with you.

Sunni Merritt

In Memory Of.....

The memory of your loving smile
leads me another mile
step by step along the way
I think of you everyday
you are never very far from me
you are everything I see
you whisper to me in the wind
'we'll meet at this journey's end, '
I love you dear, I long for you
our days were just too few
Someday, someday far from here I'll always have you near

Sunni Merritt

Just Wanna Say

Across the miles
you have brought me smiles
you've wiped my tears
by lending an ear,
although my voice you have not heard
you've listened carefully to
 my thoughts
 my feelings
 my words,
and I want you to know,
I'm glad we met
over the net,
'cause mii heart is happy
deep down inside and
you're a treasure my friend
and that's no lie!
Thanks for your friendship!
and thanks for being YOU!

Love

Love is like a heartache
it hurts real bad
it makes me sad
I cry every night

Love isn't what your friends or family think
it is what you think
Love isn't anyone else's problem
but the peoples in love

Love isn't based upon sex
Love is based upon two people who are exactly alike

Who needs money or cars
when you have love
a relationship isn't perfect
it has its good times and its bad times
and when you argue you make up no matter how bad it is

Cheating is forgivable but if you love the person like you say you do
there is no reason to cheat because they are the only person you need.

Love is forever even if you break up
if you loved the person when you
break up you still will.

Love isn't about age, age is just a number, its about how you treat
each other not how old they are

Love hurts and sometimes relationships don't work out and you will cry,
but you will find true love one day,

You'll never know when love is going to hit you and when it hits you it
will hit hard. Once it hits its hard to get back up again.

Love hurts but it is worth the pain.

My Feelings For You

I have dreamed of you and I
walking in the night
under the dark stary sky
and you're holding me tight

I've never smiled or laughed so much
but because you have came into mii lyfe
It's like you brought the old Sunni back
I shall forever keep you in mii heart

I hope I am good enough for you
to love through out the days
If I ever lost you I wouldn't know what to do,
I can see me loving you in every way.

But until that day all I shall do
is hold you close to me and
thank you for giving me
the chance to be in your lyfe

Sunni Merritt

Never Say I Love You

Never say I love you.....
if you don't really care
Never talk about feelings.....
if you they aren't really there
Never hold my hand.....
if you're going to break my heart
Never say you're going to.....
if you don't plan to start
Never look me in the eye....
if all you do is lie
Never say hello....
if you really mean goodbye
if you really mean forever.....
then say you'll try
Never say forever.....
'cuz forever makes me cry

Sunni Merritt

No More Yesturdays

No more yesterdays when all I did was
stand and cry
No more yesterdays
Not even caring to live or die

But then you came into my life
And you made me see
That the world around us
Isn't such a bad place to be.

No more yesterdays
When the day was just another day.
No more yesterdays
Hating everything
In every way

Because you took my by the hand
And you made me understand
That life is now worth living
And now, Im a happy girl.

No more yesterdays when it seemed
That the world was dead
No more yesterdays
When my heart only bleed.

Because now your all around me
And my whole world is you
Now there's no more yesterdays
Because now, I've got you.

Sunni Merritt

Put Your Arms Around Me

Put your arms around me
Hold me just like this
Cover me with love
So much I don't exist

Heal me far from pain
Start long before you end
Give me reasons to believe
We should let this love ascend

Free me from my worries
Obliterate my doubt
Leave the past behind
And seek the future out

Go beyond your limit
(We'll pass the others by)
And make love part of history
That no one can defy

So, put your arms around me
Let our hearts demure
Hold me for as long as you can
And let this love endure.

Why?

Why do I still love him?

why does his face still haunt mii dreams?

why do the memories of us still linger in mii mind?

why can't i get rid of these feelings i have for him?

why can i hear the love he has for me in his voice?

why can i still feel the pain he feels?

why can't i answer these questions?

can you please tell me?

if not can you please tell me

WHY?
