A Huge Heart For A Huge Body

Elephants may be huge,
But they carry themselves
as if they're light as a feather.
They are sensitive and caring.
They love and protect their family,
and will always be there for them.
They are wise and experienced.
They live almost as long as we do.
They go through more stuff than us.
They are treated unfairly,
and people then get upset
when they go on a rage.
Elephants have a huge body
But they have a big heart to fit it.

Love, Rejoice, Laugh, And Cheer

What can we do,
when we have nothing left.
When everything
we earned,
we won,
and we recieved
is gone.

Will we blame?
Will we hate?
Will we envy?

We should
love,
rejoice,
Laugh,
and Cheer,
for all the
Mental stuff
We can still enjoy
today.

We should be grateful.
That we are still
on this earth
breathing
and
living.

And if we
try hard enough,
We will
love,
rejoice,
laugh,
and cheer.

Oh, Why I Love The Beach

The water is dark and murky,
the blue-green waves
mixed with white foam.
I like to sink my toes,
into the exfoliating sand.
The seagulls fly over
the lighthouses in the water,
with big bright lights.
People sail away from the dock,
in their mini sailboats and water jets.
Trash is spread from one end
to the other.
But I don't mind.
The wind brings me at peace.
This is why I love the beach.
