Helping Hand

God gives us the helping hand each day.
God is always there to listen to our prayers.
God gives us a helping hand when we need it.

If you have problems God takes care of them.
He will give you a helping hand.
Take a step of faith and join him today.
God will give you a helping hand in all you do for him.
All you have to do is believe and trust him to help you through.

God can make a straight path for you.
He will give you a helping hand.

I Nneed You God

I need you God.
I need you to turn my life around.
I know that I cannot control things or people around me.
I need you God to help me through.
I feel like a rock in a hard place.
I need you God.
No matter what happens in my life.
I need you God.
I know that you are the only way.
I that I need to let go.
I just want to go on with my life.
I need you God in my life.
You know what is best for me.
Please forgive me God.
I need you to show me the ways.

My Guiding Light

Can you guide me through my struggles?
You are my guiding light.
Can you show me your ways?
You are my guiding light
If it was not for you I would be nothing.
You are my guiding light
Can you hear me?
I need your love.
You are my guiding light.
I feel so helpless without you.
I seeking and searching for you.
You are my guiding light.
I'm full of mixed emotions.
Sometimes I feel confused.
I know that you are true.
I believe in you.
Help me to overcome.
You are my guiding light.
