I am thankful to GOD.I know i have so many things to be thankful for. I am living. I am thankful.I have a beautiful family who love and appreciate me, I have the ability to create and enjoy the skills i have.I am thankful. I appreciate all that i have and know that i have everything that i need in this moment.I have certain talents to be proud of... including writing - if I use it for the greater good.

Love So True

As I was thinking, as I often do
The subject turned to love and I start thinking of you
Do you know how I feel?
As if my heart was just ripped out
I thought our love was real
But, now I don't know what it's all about

I thought to myself, this isn't how it's meant to be
I thought I was for you and you were for me
You are not who I once used to know
Where did you put him? Where did he go?
You may seem surprised I have moved on
But I finally realize you're long gone...

The days have gone by- it would almost be a year.
But no longer can I call you 'my dear'.
So I choose now to give it all up and set my heart free
Although I will always have memories of you and me...
And no matter how much I want to, this feeling won't go away
Cause my love is still very true and in my heart you'll forever stay.

My True Feelings

Every day I just feel heartbroken, with thoughts of you in my head
If only my heart could've spoken, 'I love you' is what it would've said
Now it's been about a year, I never talked about you
Because I fear.. I might start thinking about how much I love you

My love for you is so passionate and true
I wish I could prove this to you
But you made me cry... you tore me apart..
You left me in tears.. you've shattered my heart..

All those poems I wrote for you.. were all of them true
In a way they all revolved around you
How do I stop my heart from breaking down every time I think of you?
How do I hold myself together without you?

I still think about you, and wonder how you are
But my feelings have changed, and they don't go as far
I still feel you sometimes.. maybe you're thinking of me?
Or maybe it's just a little memory, Of how it used to be

I still hear you say, no one will love me like you do
That's so hard to believe now, after the hurt you put me through
You still have a piece of my heart, because I always felt you here
And you will see what my true feelings are, my love for you remains as strong as
ever.
