In My Heart's Cage

In my heart's cage

-----++++-----++++

In the warmth of your smile,
Crystal vibes radiate, calming my soul.

Your gentle eyes, a haven for me,
Infatuating, yet serene, setting me free.

Allaying fears of losing you,
I hold tight, In the cage of my heart,
where love shines bright.
You're locked in my embrace, forever safe,

Cherished moments, an eternal escape.
In dreams, your presence trespasses,

Relishing moments, forever caressed.
My love for you is unfathomable and deep,
Eternal and soothing, a peaceful sleep.

A Day At Netarhat Valley

The scenic beauty of the valley captivated me,
Flowing in abundance, with elegance and serenity.

The pine trees welcomed me with open arms,
Guava orchards bloomed with flowers, a sweet charm.

The cool breeze blew, carrying the fragrance
Of red roses, gently caressing me with grace.

The panoramic views of sunrise and sunset
Left me in awe, my heart in a state of ecstasy.

It was love at first sight with the serene valley,
Those Moments unforgettable, a memory to treasure.

Wishful Illusion

When I was asleep,
Child hood memories crept in,
As I entered a realm of fantasy,
where childhood's joy was reborn.
Hopping and jumping,
with wild freedom, untethered and free.
Where smiles so vibrant stretched across the land,
Where we all sang and jumped into ecstasy,
Where joy and laughter flew in abundance,
And I felt freedom unlimited.

But suddenly I woke up from the deep slumber,
And realized it was just a wishful illusion.
Yet, the memory remains, a bittersweet refrain.

The Angel

Life's new chapter unfolded decades past,
when she tied a knot with you in love and trust.

Adored by kith and kin she is the epitome of grace,
hiding her pangs of pain and grief beneath the smiling face.

Blessed with exuberance, she illuminates the crystal vibes,
Never is she hesitant to make others happy, she learnt from the spiritual scribes.

She performs as a mentor to the kids,
you remember every thing and all her noble deeds.

Her chuckles wipe out your distress,
Hardly she allows your feelings to suppress.

Never is she broken during the times of adversity,
she stands up to handle with a unique tenacity.

She is the angel in your life ,
She helps you tiding over the stress and strife.

Loving Mother

You are the epitome of tolerance and patience,
For long I failed to understand it's essence.

There were moments when
You could sense the feeling behind my tears,
and rushed to calm my fears.

I could see the light of the day,
It is for your enduring pains, which I would always cherish and say.

Your love is unfathomable and priceless,
Which I would ever confess,

You are my best mentor ever having shown me the right path,
So, I promise not to deviate, lest I would incur God's wrath.

Never have I seen you gasping for breath,
Since you always hide your travails somewhere underneath.

For me there is no other,
Who can take the place of my beloved mother.

Cross Roads

In solitude's embrace, spending a few moments,
I surfed the ocean of fantasy.
clouds of thoughts afloat in my mind.
Myriad fears of seclusion clung to me.
It was a frosty afternoon,
I gazed at my reflection in the mirror.
An enduring question perplexed me,
the very purpose of life.
Is it the pursuit of fame and prosperity
or the elusive quest for eternal happiness?
Baffled and driven to life's crossroads,
I find myself unable to unravel the mystery
and my search endures.

God's Grace

In the deep slumber, dreams of you unfold,
Awakened & immersed in thoughts, a story to be told.

Grasping the challenges, you guide all the way.
This life, your blessings, in reverence I pray.

Epitome of virtue the ultimate truth, you are,
the Universe in your care.

Carrying Thee in heart and soul, none else I see,
Craving a glimpse , spirited , just you and me.

My supreme guide, in pursuit of divine grace,
Surfing life 's journey in God's embrace.

Sea Side Stroll

Seaside Stroll

=====

A leisurely stroll along the shore, so grand,

Left my footprints in the sand.

Sublime sea and summer 's breeze,

Moments to savour, my mind at ease.

The sun sinks into horizon, a spellbinding scene,
My happiness beyond measures , so serene.

Waves rise and fall, so eternal,
Their sounds, rhythmic and lyrical.

I run towards the waves with glee,

waist-deep, sands slipping free.

Against the tide, courage I find,
A dance with nature, my heart and mind.

Sailors surf with cheerful motion,
seashells whisper, in action.

My fulfilling moments, cherished long,
A beachside symphony, a nature's song.

In Dawn's Lap

In Dawn's lap

=====

In Dawn's lap, the sunlight flashed on me.

Woke up from slumber, gazed at sky with glee.

Peeked through the window, birds chirping,

A wonderful rendition in the morning.

Garden adorned with flowers, a vibrant array,

Butterflies on petals, a colourful display.

Wings aglow, in motion slow,
Radiating vibes, a delightful glow.

Moments uplifting and bright,
In nature's embrace, a pure delight

A Rainy Afternoon

A rainy afternoon

=====

On a rainy afternoon, I suddenly woke up from slumber, disturbed by
thunderbolts,
The turbulent wind shook my room, and my heart's tumultuous jolts.

The lightening flashed radiant as ever,
Beguiled by nature 's majestic scenery,
I relished each moment to savor.

My yearning for the cozy bed vanished in mere seconds,
I curiously gazed at the cloudy sky it's beauty beckons.

I must thank nature for her blissful act,
Rain poured incessantly making a profound impact.

Raindrops played a tune on my rooftop,
with no intent to stop.
I fondly reminisced my childhood days,
When I was hopping and dancing in rain's joyful hop.

I cherish to return to those times, once more,
Though deluded, I hold the memories, unable to restore.

Rainy Delight

Tormented by the grueling summer's might,
My patience, unfathomable, held tight.

A long wait finally saw its end,
As the season arrived making the raindrops descend.

With gleeful eyes, I watched the roaring sound,
As clusters of clouds burst forth, unbound.

Nature tested our patience, unfathomable and true,
Yet obliged every species, with planet earth anew.

Heaving a sigh of relief, we beheld the sight,

Crystal drops on leaves, a wondrous delight.

I wished to catch the falling drops, gripped with fantasy,

Gleamed to see the spectacle of rainbow's symmetry.

Sunrays wrapped in clouds, cheering the rain god's might,
A round of applause, from all, in pure delight.

I was enthralled by Rain's rhapsody,
It's beauty regaled everybody.
