# The Almost Poet()

# Numb

I have something  
I can not reveal  
Because of the pain that I will have to feel  
So I try to contain myself and my feelings  
So no one can see  
But I can't  
So I find a cure,  
I hurt myself until I can feel no more pain  
So I can feel numb  
I can take any pain that comes at me  
Soon enough but not just yet I can reveal myself  
Just one more painful cut  
Little more time of containment  
So I can become pain free  
And Numb

The Almost Poet
