Flawless

extraordinary and unblemished love

A love that is real and absolutely
captivating

A love that has firer that cannot be quenced out

That gives without complaint

Love flows out like rivers and streams of water

Love is patient timeless without limit and never
gives up

Love that comes from God

Flawless

Deeper than the ocean depts

Broader than the mind can conceive

Continuously running waters

Truly this is the utimate act of love

For God so loved the world that he

gave his only begotton son that

whosoever believeth in him should

not perish but have ever lasting

life.

Who Am I

The beginning and the end
He that walks the waters and sales the seas
A fountain of living waters and the banner for nations
The consuming firer and the faithful and true
Hope of glory and the great shepherd
The lamb in the midst of a throne

the high and lofty one and he who shall have dominion
Friend who sticks closer than a brother
The light of the world and the Lord mighty in battle
Ruler over the kings of the earth and the shelter of his people
I am the judge of the living and the dead
