Missing You

Where are you?
You said u'd be back
You've been gone for weeks and still no track
Your hair, your smell, the way you walk
Your clothes, your eyes, the way you talk
I miss it all and I know you miss me to
because with you gone I'm officially missing you

Our Aniversery

A special day for you and me
Many years ahead that we will once see
Love is what I have for you and I hope you feel the same
If we're together forever than you will never feel pain...
Our Aniversery! ! !

And though at times a thread may break
A new one forms when its time to cut the cake
To bind us closer and keep us strong
At our aniversery is where we belong
Our Aniversery! ! !
