A Warrior Is You

A WARRIOR IS YOU

When your spirits is down you have no time to frown, your warmth and grace
you cannot hide

You laughs, helps comfort, and hide your own pain.

You are blessed with the gift of giving and a willingness to help others, you give
best to your love ones.

You meet a need that no one else can fills;

You're always kind and gentle.

You have plenty of time to listen, to encourage, to love and to care; when others
are too busy, you're always there.

'Wonderful is your frame of mind'

True betrayal and talks you remain secure knowing who you're; you're loving
enough to say 'I forgive you' You're at peace with yourself without have the need
to prove. yourself to anyone.

A WARRIOR IS YOU

From the mouth of destruction your smile
remains un shaken

You lifts your head and continue to walk
in the mids of turmoil.

You understand that its not about materials stuffs, you know that before
Becoming a diamond first you'll be in the rough. You show courage in the mids
of fear, declaring trough faith because God is near.

You realises life's a mistake no matter how storm, you always thank God for
the blessing as you capitalises on them.

You know its in the journey you'll become stronger and the love of God is
forever with you, no matter how difficult or long.

Mitchel Peters, you're more beautiful than your imagination, more worthier than
your believe.

More loved than you can ever imagine.

I cherish your golden heart and I admire your qualities and attributes.

I hope the unborn and the growing up to be will emulate you and your legacy...

I celebrate you today with love.

A WARRIOR IS YOU

All I Want

Some people have
such big dreams,
but all I want
is to love you,
to wake up beside you
each morning,
to feel the warmth
of your hand in mine,
to share each moment,
good and bad, with you,
to lose myself
in your loving arms.

Some people want
so much out of life,
but all I want
is to share
everything with you,
for us to talk long
into the night,
to dream together,
and experience
all of the little
things together
that makes life
worth living.

Yes, I have a
big dream after all.
And I want so
many things.

I want to spend the
rest of my life
with you.

And I want to
give you my love,
and to make our home
a place where
you always feel
warm and welcome,
and for us to have

a relationship in which
we accept each other
for who we are
and always find a
sweet dream in
each other's arms.

All I want is
for us to love
each other for the
rest of our lives.

And I do believe
that dreams can
come true.

As Long As...

As long as there is water in ocean, as long as there is brightness in sun, as long as moon brightens the night, as long as millions of birds cannot overshadow the brightness of the sky, as long as there is beauty in nature, as long as there is colour in rainbow, as long as there is not limit to the sky, as long as days follow the night, as long as sunset is pretty, as long as diamonds are to be precious, as long as secrets are to heart, as long as pictures are meant for memories, as long as humans are meant to be born, to live and die! my love for you will never die, my feelings for you will never fade, as long as I'm still breathing, I can never stop loving you.

TIJANI ADEBOWALE DESTINY

Beauty Of Life

Virginity is the beauty of ladies, colour is the beauty of rainbow, tourism is the beauty of country, memories is the beauty of past, brightness is the beauty of stars, happiness is the beauty of mind, vision is the beauty of , nature, peace are the beauty of Life.

TIJANI ADEBOWALE DESTINY

Beyond The Sun...

When the sky grows pale
and the stars awaken,
I'll dream a lover's dream
from which I won't be shaken.
Hand-in-hand, we'll stroll
the beach where cool waters rise,
and I'll be spellbound by the love
reflected in your eyes.
And just as the light
of heaven is thrown,
I'll fill your world with splendor
as I make you my own.
In the stillness, we'll be carried
to a world beyond the sun,
where music, moonlight, and love
mingles into one.

TIJANI ADEBOWALE DESTINY

Dear To Me...

I've met so many people
as I've traveled through life's way,
but you've become more dear to me
with each passing day.
You always lift my spirit
like a touching work of art
and bring much hope and joy
to my lonely heart.
You're like a precious lily,
so wonderful and fair,
filling each day of my life
with beauty, warm and rare.
And I'll think of you this springtime
where the gentle waters flow
and every time I pass a meadow
where the springtime flowers grow.

TIJANI ADEBOWALE DESTINY

Desire

I ache for your touch.
I crave your loving embrace.
There are so many hills to climb together
and dreams to chase.
I love everything about you,
your soothing voice,
your endless grace and beauty.
I live for your love,
my heart's treasured duty.
I'll never get enough of you.
I'm lost when your lips meet mine,
carried away by thoughts
of the most romantic kind,
I the chalice and you the wine.
I want to know if you hope,
if you care,
if you dream,
if you dare...
to give us a try?
Does your heart beat
in unison with mine?

TIJANI ADEBOWALE DESTINY

Eden In You

I finally found my
Garden of Eden
when I met you.
All of my life,
I searched for
someone who would
make the stars
shine bright each night,
and make each day sunny.
I wanted someone
in my life who would
make me smile,
someone who would
make me feel cherished,
someone who would
give me a lift
when I'm feeling down,
someone who would cheer me on,
when I hesitate,
someone who would
hold and comfort me
through the storms.
You've done all of this
and so much more.
You've brought the beauty
peace, and love
of the Garden of Eden to my door.
Now, every night,
and every dawn,
I need you here with me,
because I love you,
and I'm only complete
when you're beside me.

Exquisite Beauty

Find Your Man

If you're looking for love,
hunting for your soul mate,
there are some things to consider
before you accept that date.
I bid you, don't be impressed
by men who'd offer wealth
without happiness.
Though money may be great,
you can't go wrong,
if you find a man whose arms
are comforting and strong.
You should look beyond the cover,
delve deep inside the book;
for there's a measure of a man
that's more important than looks.
He should have ears that listen
and eyes that are kind;
he should have a warm heart
and an open mind.
He should be accepting
even if he doesn't understand.
If you've met someone that like,
then you've found your man.

Golden Days Ahead...

Never forget that you
have many wonderful
and golden days ahead,
something great to look forward
to.

Never lose hope for a brighter
tomorrow.

Raise your sails high,
and continue to journey toward
your dreams.

You'll receive everything you've
hoped for if you stay on course.
And should trouble come your way,
just relax and let the
tempest rage around you;
the hope you harbor safely within
will keep the storms at bay.
Just continue to dream as you
navigate your ship like
a master mariner.
Let your heart be the chart,
and you'll reach the paradise
that you've always yearned for.

TIJANI ADEBOWALE DESTINY

Hidden Light

or the way I love
a rose in bloom,
because sunsets
and roses fade.

I love you
the way I love
the night's glowing
promise of dawn,
the way I love
the hidden light
carried by the stars.

I love you
the way I love
a winter garden
that holds the beauty
of flowers that have
not yet bloomed.

I don't love you
the way I love
the sun or the wind,
because they only touch me
on the outside.

I love you like
something beautiful
that lives inside me,
like the fire of existence,
a beautiful memory of childhood.

I love you with all
of the passion
that feeds my soul and
inspires my greatest dreams.

Without knowing how
or from where,

I love you
as completely
and as naturally
as the circle of life.

I love you as perfectly
as the way the stars shine

upon the whole world,
as perfectly as
the way your hand
lies upon my chest.
I love you
the way that I love
the unity and flow
between us,
the way we close our eyes
and dream of tomorrow together.
I love you,
infinitely,
passionately,
and profoundly,
with everything I am,
and with everything
I've ever hoped for.

I Miss You

I'm thinking about you again. I miss you badly and wish you were here with me. My soul knows no rest even when I sleep, because I dream about you and imagine how great it would be if you were here with me. Without you, because every seconds' minute and hours spent with you was a testimony... I feel like a part of my heart is missing without you by my side. I'm in dire need of your tender love and passionate kissing... if only you were here with me. Every day I tell myself to move on with my life, and I try to pretend that I'm happy, but it's just not true. I'm alone and blue, because you're not here with me. At night I get down on my knees and pray for brighter days. I know that the sunshine I need is on the way, because someday you'll be here with me. But until that day, I'll never stop yearning for you, and wishing that you were here to stay, because I love you, and I want you here with me.

TIJANI ADEBOWALE DESTINY

I'D Find You...

If I could fly to
my fondest dream,
I'd find you.
For you're all
that's important to me,
all that holds meaning
in my life.
You're the flame
ever burning bright
in my heart
that makes me thankful
for each sunset,
and you're the light in my soul
that makes me look forward
to each dawn.
And this flame
for you will never
fade.

TIJANI ADEBOWALE DESTINY

If Only...

If only you knew,
how my heart overflows with love for you.

If only you could see
the way you fill my hopes and dreams.

You're the owner of my heart,
the ruler supreme.

Even in the dark of night,
I've only to think about you

to feel your loving light
and from this world I drift

feeling as if

I'll never touch the ground again...

If only you knew.

If only you could guess

how I hear your voice when others speak;

for you hold the key to my happiness,

and it's always you my soul seeks.

If only you could feel,

how your very presence

has the power to heal,

all the wounds inside me.

You've made me abandon

the pain of yesterday,

and you've shown me

that the past can no longer

stand in the way

of what I hope to achieve...

If only you knew.

If only you could realize

the way you've shown me

that it's better to give

than to take,

and whatever I do,

I do for your sake.

I'm willing to give you my all

and expect nothing in return.

But, oh how I yearn

for you...

if only you knew. If only you knew how much your love mean to me...

TIJANI ADEBOWALE DESTINY

I'L Be There...

I'll be there for you
when you weep.
I'll dry your tears
and stroke your hand
as you sleep.
I'll be beside you
each time dawn
sets the world aglow,
and I'll warm you
when you stare in wonder
at the diamonds in the snow.
I'll caress you with each wind
and lift your spirit
as high as a bird in flight.
And I'll inspire you
like the sparkle
in the stars at night.
I'll be the sunlight's gold
dancing on the grain,
the serenity you feel
from the gentle spring rain.
I'll be there for you
when you cry,
and even in death,
we'll never say goodbye.

TIJANI ADEBOWALE DESTINY

In Your Heart

I haven't been myself.
Since I fell in love with you,
my whole world changed.
I rediscovered the dreams
I'd hidden in a drawer
and found my priorities rearranged.
My friends barely recognized me
after I met you;
for as our love deepened and grew,
the hope and aspirations
I'd cloistered away
blossomed anew.
And it's my undying hope
that the bond we forged
shall ever remain
for I've placed my hope for tomorrow
in your heart.
I never want to be myself again.

TIJANI ADEBOWALE DESTINY

Incomparable Mom

Incomparable Mom

Mom, you're a wonderful mother,
So gentle, yet so loving so simple.

The many ways you show you
care and love

Always make me feel I belong.

You're patient when I'm foolish;

You give guidance when I ask;

It seems you can do most
anything;

You're the master of every task.

You're a dependable source of
comfort;

You're my cushion when I fall.

You help in times of trouble; You're my gold when i'm penury, you're my hope
when i'm dispirited, you gave me hope, you let me realise my dream, and gave
me reason to live

You support me whenever I call.

I love you more than you know;

You have my total respect.

You'd be the one I'd select! you're a true mother, d hope of the hopeless, demi

Life And Time

When it's to rain,
clouds gather up in the sky.
So dark, mild, puffy and scary.
No place is laid out for better safety.
Here, is where all shall stay to witness thunder
and its blossoming lightning.
Creatures go about with no assurance of survival.
But nature, embraces our powerless selves
to relax knowing that all is well.
Like trouble, when it affiliates our lives
without a sign of caution.
Brings nothing but turmoil to these shaken souls-
Helplessly gazing ahead for all confusion to pass on.
Earth is never fun when one is sulking,
cause then death prevails.
Rain on its own sanctifies.
Same clouds that cover you with fear,
bring down water of life.
Darkness loiters around for a while;
and blinds your focus so you see not when it turns.
When it turns, so far away that
your vision is blurred
with any troubles ever existed.
It's for this truth that,
rejoice when clouds gather.
For sadness sent down are disguises
filled with blessings to come fourth!
As the sun shines after this huge storm.

Longing For You

Spring is approaching
with endless skies of blue,
and more than ever
I long to be with you.
Soon the rose bushes
will set the garden ablaze,
and the daffodils will bear
gold.
Each beautiful day will end
only to be followed by
another,
but this yearning inside,
will never grow old.
I'll gaze up at the
silvery stars each night
and pretend you're here
with me,
that I can kiss you
and hold you tight.
You're a living dream,
a wish come true,
and though we're apart,
I vow that my heart
will ever be true.
I'll always cherish,
and need you.
And each dawn that I
awake,
the grass rich with
diamond-like dew,
I'll think of you,
and my heart will overflow
with love that belongs
only to you.

TIJANI ADEBOWALE DESTINY

Memories!

More Than A Mother

When God set the world in place,
when He hung the stars up in space,
when He made the land and the sea,
then He made you and me.
He sat back and saw all that was good,
He saw things to be as they should.
Just one more blessing He had in store;
He created a mother, but whatever for?
He knew a mother would have a special place
to shine His reflection on her child's face.
A mother will walk the extra mile
just to see her children smile.
She'll work her fingers to the bone
to make a house into a home.
A mother is there to teach and guide,
a mother will stay right by your side.
She'll be there through your pain and strife,
she'll stay constant in your life.
A mother will lend a helping hand
until you have the strength to stand.
She'll pick you up when you are down,
when you need a friend she'll stick around.
A mother is one who listens well,
will keep her word; will never tell.
A mother never pokes or pries
but stands quietly by your side,
giving you the strength you need,
encouraging you to succeed.
A mother is one who can be strong
when you need someone to lean on.
You're more than a mother to me;
a reflection of Him in your face I see,
a love that knows no boundaries.
I'm glad that you chose to be
all this and more to me.
You share a love that knows no end,
you're more than my mother,
you are my friend.

My Hero

For all you give away;
you speak kindly
and act fairly,
touching lives
and instilling hope;
you lend strength
during the tough times
and courage
during the rough times.
You unselfishly take on
responsibility,
making the lives
of everyone around you better.
And you do all of these things
without fanfare or fuss.
You're unsung,
but I want you to know
that you'll always be
the bright light that shines
in my heart,
my very own hero.

TIJANI ADEBOWALE DESTINY

My Lady

I feel weak,
as if I've fallen in love
for the first time,
because I'm yearning,
missing you,
missing your touch,
missing your voice,
missing your face,
missing all of you,
missing the way
you make me feel.
Spring is all around,
and the warm winds
will flow into summer
all too soon,
and I take in
the beauty of it
and miss you
all the more.
Where the wild roses bloom
and the violets spread out,
I think of you.
And I know that
in the days ahead,
I'll miss you
even more
each time I see
a delicate bud
in bloom my lady.

TIJANI ADEBOWALE DESTINY

My Rose

I awoke to the brightest day
that ever shone,
'twas so fair to see;
for the light came from
a rare and splendid rose,
standing right in front of me.
I'll carry this vision
lovingly in my heart
until the day I die.
And every memory I hold dear
will return with the
light in your eyes.
For thou art my rose,
the flower of my earthly joy,
never to wilt upon the stem;
and I, a mere budding tree
with arms outstretched,
shall ever crave your sunshine in
them.

Sa'Ida

One brief moment
in time,
yet a golden
memory that will
shine forever.

I can still see
the sun shimmering
on your skin,
lighting a smile
that left me weak.

I leaned into
your every word,
as if they
were holy,
finding grace
in everything
about you.

The world faded
around me until
all I could see
was you,
and suddenly,
I abandoned everything
that I ever dreamed,
and ever wanted to be,
because I realized
that I only wanted
to be with you forever.

I still feel that way,
and you still have
the power to move me,
and make each moment
of my life wonderful!

Sailing On Dreams

I searched long,
and I struggled endlessly
for a dream.
The dream seemed impossible,
so far away...
unreachable.
At times I thought I'd
never find it.
But it arrived suddenly.
And it was far better than
I could have ever imagined-
only it was not what I'd expected.
For how was I to know that
I'd find my dream in you?
The dream is not about fame or fortune,
and it's not about power or success;
the dream arrived via the heart,
built out of emotion
and borne of love.
The dream is as pure as a dove
circling heaven,
and it's blessed by legions of angels;
it's an awakening of the soul,
bringing me closer to God,
and making me see the goodness
in all things.
Now I feel complete at last,
and through the strength you've given me,
I feel as if I can accomplish anything.
Now I'm sailing on these dreams of you.
There's nothing in life that I'd rather do,
than dedicate my heart and soul
to a lifetime of loving you.

She's So Beautiful

SHE'S SO BEAUTIFUL MEANINGFUL THAT SHE GIVE A SON REASON TOO SHINE, A ROSE REASON TO STAND OUT AMONG FLOWERS, A RAINBOW REASON TO BE BEATIFUL, A SUNSET REASON TO BE PRETTY, A DIAMOND REASON TO BE PRECIOUS, A QUEEN REASON TO BE CARE FOR, HER SMILE REASON TO BE RADIANT AND HER REASON TO BE LOVED.

Sweet Dreams

Every night when I close my eyes,
I drift to sweet dreams of you.
I imagine the taste of your lips,
the feel of your hands in mine,
and the softness of your hair
brushing against my cheek...
and suddenly I'm strong yet weak
from my need for you.
And when you hold me close,
and look into my eyes
as you whisper how much you love me,
I'm carried gently to the clouds.
Your love makes me feel
so alive and proud
of the person I am
when I'm with you.
Yet when the stars fade
as dawn breaks,
you kiss me goodbye at the door,
and I awake needing you even more
than I did the day before.
I'm missing you badly,
and I wish you were here.
But though you're far away,
in my heart you'll stay.
I'll never quit wishing
that you were here beside me,
but until that day,
I've only to dream about you,
and I escape to that place
in my heart,
where we're never apart.

TIJANI ADEBOWALE DESTINY

The Reason...

We go through life
asking why,
but love is the reason
we live and die.
Love is all the soul
yearns to seek,
the only word
the spirit speaks.
We dry our tears
with the hand we hold,
heal our wounds
with a heart of gold.
For love we seek
rainbows in the sky
and plant our dreams
on the stars up high.
Only love lights
the candle in the our souls,
instilling hope and faith
to make life whole.
And we cling to love
the only tie that binds
the spirit and soul
and heart and mind.

Until then, my first priority is for you to be happy and always want to see you smile.

Until then, I will kneel before you with a diamond ring and ask; will you marry me? hoping you will say {YES I WILL MARRY YOU} with joy

Until then, I will keep you in a loving home decorated with peace and where happiness enters without knocking

Until then, I will join you in kitchen to prepare our dinner and still hug you from behind, whisper to your ear that I love you

Until then, I will watch you sleep every night and still awake before you, get you a cup of coffee and ask; I hope your night was radiant as your smile

Until then, I will thank you in hospital with tears of joy in my eyes for giving me the most beautiful baby in the world

Until then, I will implore our children to call you 'WURAMI' [MY GOLD}

, I will still want to touch your skin, when your face is full of the lines of every smile you've ever smiled

Until then, I will treasure you all the more, because I was there to see it all. I will share your life with you, and I will love you until the last breath leaves you or mine

"UNTIL THEN"

TIJANI ADEBOWALE DESTINY

Untill The End

Perhaps I hide it well, or maybe to my heart you're blind, but if you look very close, you're sure to find... that I love you with heart and soul and body and mind. I spend my time thinking about you; sometimes I'm elated and hopeful, and sometimes I'm down and blue, waiting for these sweet dreams of us to come true. There's a picture in my mind, the way I wish it could be, and I believe happiness is possible for you and me. You don't have to look very hard- it's not so difficult to see, that we're as perfect together as shore and sea. The ribbons around my heart, are the ties that bind; I'm a slave to the oldest type of bondage known to mankind. And I'll always be right here waiting for you, my heart ever hopeful that these dreams will come true, but whether or not they do until the end of time,

will never be the same again.

My name is hope.

Have you included me
in your life today?

Where Can I Find You

Where can I find you?
Where are you hiding?
I've asked the Stars
they remain silent
I've asked the Moon
night after night
from full moon to crescent and back
she shies away from me...
Not a word
I ask the Sun
from sunup till sundown
I beg and cajole
The blazing eye in the sky
to speak of you
To tell me where she has last seen you
To put aside his jealousy
that I long for your heart more than hers
In anger she burns and doesn't say a word
I ask the sea
I ask every living tree
From the flowers I plead
'Tell me, little ones...
Have you seen her?
Have you seen my love? '
They sway and sway
Though she loves them so...
Not a word they say
I ask my heart,
'Have you seen my love?
It's been so very long...
So very long since I felt her touch
and heard his voice
Have you seen my love,
Tell me, where has she gone? '
My heart speaks,
'Silly child...
All this time and you have not heard her
speak?
What is each beat?

What is this inner pounding you hear?
Is it not her voice?
Can you not hear?
She is here...
She is resting in me
Not to be harmed
Yes, don't be alarmed
She is here in your little heart
Of what use is the sun, moon, stars, and
sea
When she lies safe in me
You can find him also in your mind
There, in there, my little one
She is who you want him to be
She loves you as you want to be loved
In your heart
In your mind
She lives and breaths and moves
Can't you see?
Can't you hear?
Listen to me.'
Wearied from my search
I lay down on my bed
I closed my tear filled eyes
and placed my hand on my chest
I felt the beating of my heart
and I thought of you
I smiled
and I thought of you
The Moon sent her silvery messengers
To caress and sooth me
and with the light of dawn,
The Sun came to warm my thoughts
And I rose to a new day
With no questions in my heart
With nothing left to say
For my lover was in me...

TIJANI ADEBOWALE DESTINY

Why?

when you can face your
hopes and dreams instead?
Why let your frustrations
get to you when there's so much
that makes you happy?
Why focus on your failures
when you can put your energy
into what's still possible?
Why regret what you've done
when you can make tomorrow
so much better?
Why get down on your imperfections
when you have so many gifts?
Why frown
when there are so many reasons
to smile every day?
Each day is another chance
to do better,
to try harder.
Each day will bring you closer
to your dreams.
'Why, '

Your Endless Beauty

To these eyes,
you shall never grow old;
nor shall winter's clutch
ever feel too bitter and cold,
when you're here to warm my soul.
Of all the things
in this world I've seen-
autumns of orange and red,
winters gray and mean,
and summers of hazy gold,
you shall ever be,
the springtime of my heart,
a fragrant blossom
as fresh as boughs of green.
Neither these eyes
nor this soul
seeks to be deceived,
but when your endless beauty
is perceived,
this heart shall beat gladly
for you alone.
You're my sunshine
and my garden overgrown
with soft white blossoms
that never fail to
inspire and enchant me.
You've planted the seeds,
for all that my happiness is
and ever shall be.

TIJANI ADEBOWALE DESTINY

Your Voice

I stood for the longest time,
staring out at the night,
taking in the way the moon
burns in the blackness.
I felt the warmth of the
summer breeze against my body,
as thoughts of you washed over me.
And I wondered how your mere voice
could move me more than the stars
and how thoughts of you
could touch me like a warm wind.
I want us to be like the
brightest stars in the sky,
our light moving over each other
and spinning out some magic
in the darkness.
And I want to keep this
wonderful spark of life
that I feel every time
I hear your voice.
