Thought Of Art

What is art?

Is it the artist's abstract brushstrokes of vivid colours on the canvas
Or the singer's melodious songs echoing in the air

Is it the dancer's body gracefully swaying in harmony
Or the poet's greatest sword inking the harmonic rhythm of words

Is it the thespian's embodiment of a mythical tale
Or the potter's hands shaping the curvatures of the earthy rich clay

What is art?

Art is thought and thought is art
It is impossible to tell them apart
And with this thought I will let us part

One Less Star

Between the thickness
Exploding in nothingness

The last boom
before the bane

Shining so bright
Almost enough to make one loose sight

Alas!
It doesn't last

It won't be long
until I'm gone

But before my passing
I will leave behind something that is lasting

Even after I die
There will be billions of stars in the sky

As they look up it wont show
But you and I will always know
