# Balance

Between Anarchy & peace you will find balance.

# The Forgotten & The Forest.

First to answer, last to leave, always there  
In time of Need, no matter the  
Circumstance Whenever they Call i answer  
And ride to aid at Gallant speed. in  
Return Im always forgotten by so Called allies & Friends  
when need is dire & Desperate indeed & I was forgotten  
in The Desert Lost in the sands of Time to  
Eternity by so Called friends & allies from  
Once upon a time in a Fairy tale never  
told or Seen.....

Into the forest, I go to lose my mind and find my soul. Into the forest, I go following the trail of my ancestors forged long ago  
Into the forest, I go dancing with danger staying one step ahead of the wolves in toe  
Into the forest, I go to witness the legendary sunrise from the myths of old. Into the forest, I go to climb the highest peaks covered in snow & swim the magnificent rivers below.  
Into the forest, I go to find the hidden places forgotten by man long ago. Into the forest I go to become one with nature. And forget Civilization's woes. Into the forest I go to find the balance. & harmony That so many have sought and few will ever know. Into the forest, I go to lose my mind and finally find my soul.....
