# A Land Blessed By God

God's own country!  
A land blessed by God  
Not yet ruined completely by man.

A land,  
Where innocence still permeates the country side,  
Where wounds of past are washed clean by perennial rains,  
Where tears from depth of sea meets heights  
Where dreams of fertile life sprouts, with each rain dropp falling,  
Where benevolent God showers blessings from clouds above,  
Where blessings from heavens above nourish every inch of land

# A New Day; A New Dream, A Whole New World

I was sitting alone, all alone, with my eyes lost into vast horizon. Waves of passion was lashing my feet in gentle touch, and day was blushing under care and caress.

Far, far away, I saw sun walking alone into depths of cold darkness. Before I knew, I lost it into oblivion and it was dark all around. I lost myself into shrieking darkness

Then, I saw a ray of hope as you winked at me from above. I was relaxed, retiring into a quiet sleep.

When I woke after a peaceful sleep, the ray of hope that you showed me was much brighter.

It was birth of a new day; a new dream, a whole new world

# About My Poetic Musings!

My sweet little heart, absolutely simple and human, is caged in its own small world, bound all around.

It pulsates as it beats, and bleeds  
As hits edges of its confines, rough and hard.

It does not understand  
Rationale of ruthless destiny,  
Wisdom of philosophy or  
Game of deception.

All it understands is  
the innocence of love,  
the gentleness of care and t  
he beauty of smile.

I have preserved here  
A few drops of blood,  
Oozing out of my heart  
As it bleeds.

I have kept them as my musings  
Especially for you, for your joy.

Vinod Varma

# An Ocean, In A Soliloquy!

I woke up as a new ray of hope caressed me all over  
I saw a new star rising up in my sky, bright and smiling.  
Winds of change blew across my world.  
Waves of passion rose up seeking to touch the heaven above,  
Eventually crashing painfully into myself.

My joy knew no bounds, blushing in my innocence,  
As star of dream came closer.  
Alas! My dream left my world,  
As I stretched my hands into charm my dream  
In a warm embrace, and  
A gloom of darkness filled my world.

My heart sank to depths unknown.  
I found a new serene world below,  
Free from undercurrents of deceit and  
Waves of tempest crashing into tears.

As I slept in my new world of tranquil,  
A new dream was rising up in heavens above

# An Old Farewell Note

Firm stands 'today', the moment of truth  
Basking in the glory of the yesterday  
Lo! beckons the future, excitements set forth  
It is time for me to move on, I say!

Shall stay with me, for ever and ever  
Some 'Rational' thoughts, so fresh as ever  
The joy of sharing, and caring for another  
The fun of learning, and working together

It hurts to say 'bye', dear 'Rational'  
Oh! my friends, it pains to bid 'farewell'  
We shall meet again in the world, so small  
We shall hold together, with a heart no small

Let me be gone now, for a while  
To join our hands again, in a little while  
For some purpose, quite worthwhile  
To help our customers, with a sweet smile

Vinod Varma

# Colors Of My Small World!

My mind was quiet  
Time stood still  
I was alone in my small world  
I longed for a change

I saw you, I saw me  
I saw the world in me  
I saw the world in prism of my mind  
I longed for a rainbow

Winds of change blew  
Clouds filled my sky  
Thunder and lighting made my day  
World shook in pain

My heart broke  
Tears dropped down my eyes  
I made a kaleidoscope with my broken heart  
I saw a rainbow

# Fear Vs Respect

Fear breaks; Respect mends.

Fear hurts; Respect heals.

Fear suffocates; Respect motivates.

Fear arrests; Respect enables.

Vinod Varma

# Get Up, Man, And Get Moving!

Tears gushed down aplenty  
In chilling dark night bygone  
Washing the dead of past away  
Into blue dungeons yonder

Wake up, now, from slumber  
Roaring storm of death is all gone  
Heaven above lighting your way  
Get up, man, and get moving

Tomorrow it yet another day  
Move on, and make it your day  
Golden star rising up in your sky  
As a new ray of hope on your way

Vinod Varma

# History

Any bit of history  
Is shrouded in wraps of mystery  
Real truth's kinda slippery  
And, at times, self-contradictory

Vinod Varma

# Hope Of A Bright New Day!

A past is laid to rest in archives  
Leaving me all alone, all on my own  
I searched for Me in my solitude  
I searched for Me that I lost a long ago

Dark clouds thundered in my dreams  
Wild storms gushed through my heart  
Heaven broke down into tears  
As Waves of pain hit my shore

Far away, I saw your smile  
I saw a new ray of hope  
It was a hope of a new dawn  
A bright, new day is born

Vinod Varma

# Human 'had Been'

When man loses himself in eternal indulgence  
When man is caught in web of his own pretense  
When man loses a touch of divine compassion  
When man is cleaned of humanity, and passion  
What is left of a man, I wonder; no more a human  
Neither a God nor a beast is reckless and inhuman  
No more a 'human being', that we seek in a man  
I say, call it 'human-had-been' is all that we can

Vinod Varma

# It Is You, My Dear!

Yet another day born  
In a golden shadow of divine charm  
The day was young as  
I walked in the garden of heaven

Stretch of a hand away  
I saw a sweet little rose, all smiles  
A little rose of my dreams  
Budding into a new life

I went close, and  
Stretched my hand in care  
I bled, hurt me hard  
I saw thorns all around

I saw my little rose  
Dancing in gentle breeze  
Blushing in innocence  
Amidst a world of thorns

I stretched my hands  
I picked my little rose,  
I brought home my dream  
Sweet, young and tender

I kept my dream  
With my God, at his feet  
I prayed for a new life  
A new life for my dream

Time went on  
I saw my rose dying  
I cried helpless, God  
Why you did this to me

I heard a voice  
A voice loud and clear  
A voice from within  
A voice of true love

I made rose, my son  
For you to see and enjoy  
It's life, my dear  
Don't pluck and destroy

Vinod Varma

# Knowing The Unknowable

What is truly me does not change,  
What changes is not me  
What is truly mine is never lost  
What was lost was never mine

I seek thee in me  
I seek me in thee  
Now I see, now I don't  
I know but I know not

Vinod Varma

# Life Is A Roller Coaster Ride

Life is a roller coaster ride  
or game of Jekkel and Hyde  
It slows at times, speeds at times  
It scares at times, thrills at times

Don't close your eyes, and be lost  
Don't hang on to pangs of past  
It's gonna pain, till game last  
Life goes on, and does go fast

Don't fret and frown, Ride is short one  
It is full of fun, Don't miss any one  
Laugh and ride, or cry and hide  
A few moments, and it is gone

Vinod Varma

# Love Is Myself

You told, love hurts  
Hurt it might  
I still love `coz  
I love love

You told, life betrays  
Betrey it might  
Yet I care not `coz  
I am myself

Love is no trade  
Don't trade in love  
Don't ever love  
To get joy back

Love is no commodity  
Don't buy and sell  
Don't ever love  
To get love back

What is love, then,  
Love my being  
Love is myself  
Love is my life

# Me And My Shadow!

Day was young!  
As I walked, my shadow walked along  
Flat, cool, and dark, much larger than myself

I was proud!  
As I moved, my shadow mimicked my actions  
I loved my shadow, I was my shadow

Time moved on!  
As I burned, in scorching heat of my destiny,  
My shadow grew smaller and smaller

I lost my shadow!  
I lost my shadow into myself, in my solitude  
I realized that I am all alone

From within myself,  
I saw my shadow grow again slowly  
Growing slowly, much larger than myself

# Me, My Mind, And Deep Sea

An evening:

I am sitting on a sea shore  
Enjoying waves on as it comes  
Watching waves endless, restless  
Approaching from a distance

I am watching waves as it comes  
Jostling and joining, to reach me  
Yet, at last, crashing on the shore  
Withdrawing itself into deep sea.

Thought waves:

Each of these waves start off  
As a small movement, at a distance  
Moved on to hit the shore far off  
Fanned by force of unseen winds.

Sunset:

As a tired sun retires quietly  
Into yet another mystic night  
I withdraw into my own self  
I realize an ocean within me.

Endless thoughts hit shore  
In a gentle touch of hope, care  
And, of divine benevolence  
And, as ferocious tsunami waves

Sleep:

I seek depth of tranquility  
Beneath turbulent rush of waves  
Depth beyond winds of change  
As I fall asleep in my very own self

# Shooting Star!

I sat alone  
Lost in the crowd  
Gazing up lazily  
Into darkness around

Lo, up above  
My dream twinkling  
Quiet and gentle  
All smiles, and shining

Quirk of time  
Or plain hard luck  
Brilliance crashed  
Into tears countless

Stretched my hands  
For divine bliss  
Tears filled my hands  
Dark and red

Blood surged up  
Painting sky red  
Death of a dream or  
A new dawn of life?

Vinod Varma

# Spider And Net

In the depth of darkness

In silent corner of wilderness

Shrieking yowl of woeful distress

Death of a soul, alone and helpless

Spellbound, in enchanting web boundless

I trapped my soul, gluttonous and ruthless

Vinod Varma

# That Is Me!

You tell me a man does not cry  
You tell me a man does not cheat  
You tell me a man does not fall

Why give me tears if I should not cry  
Why break my heart if I should not weep  
Why agony, Why pain, Why bruises

Don't chain me with your rules  
I break free of your endless rules  
'coz I care for you but not your rules

I cry when it hurts hard  
I cry when I see you cry  
My heart breaks when I see your pain

I laugh when I am happy  
I laugh when you laugh at me  
I laugh at me, at my joke

I laugh at me for being a joke  
A joke, not yet learned the art of living  
A joke, not yet learned the art of deceiving

I laugh at my joke  
A joke, that I made of the world  
A joke, that I made myself to be

I cry because I am a man  
I smile because I am a man  
'coz I am what I am

I care not for name  
I care not for fame  
'coz it's all but a game

Vinod Varma

# You Are My Heart!

Break my thoughts, if you must  
It makes me wiser  
Break my way, if you must  
It makes me stronger  
But don't ever break my heart  
'coz you are my heart
