Wrath(11/7/87)

I was Born On November 7th 1987, And Wrath Not Long After that. Since then He Has been Feeding off my anger, jealousy, and depression, and turning it into something comprehensible.

A 44 Caliber Love Letter, Staight From My Heart

Your Gone, But Your Still Here
Why Can't You leave
Your Shirt On my Back
Tells of Your Presence
The Condoms on the Floor
Serve as A Reminder of
What Once Was
Why Can't you leave
Me Alone
You haunt My Sleep
Filling My Dreams
With Fantasies
That Can Never be
You Use My Passion As A weapon
Against me
You may Not have
Set Out To Destroy Me
But you Were Decieved
Because you have
Shattered my Broken Heart
And killed
My Will To Live
Why Can't You Leave me Alone
Becasue I Really
Don't want you
Gone

Wrath

A Letter To Her

Words Can Never Express How I Feel,
But I love You Jenna,
And You Hurt Me Really Bad Last Night,
You've Known This For A While,
But Kept Up Apperances.
You Had Sex With Me,
Just Because You Were Horny,
I Had Sex With You,
Because I'm In Love.
But Alas,
No More.
It's To Much For Me To Bear.
You Want To Remain Friends.
So That I can Be There
And Watch You Through Your Next Boyfriend?
I'm Good.
I don't want to know About it.
I Swore You Were My Last. And It's True,
You Shall Be.
For I will never Love Another.
Execpt Maybe The Way You,
Loved Me.

Wrath

Broken Mirrors & Suicide Notes

Soaking In Your eyes
Fading Life Fleeting
Your Gift To Me
This Time Deadlier Than Before
Destroy the Future You Saw
(My Destined Love,
My Something To look Foward To)
Escape Now
Because Breathing Is Difficult When Your Here
Always Dreaming The Same Dream
The One Where you Help Me Drag The Bullets Out.
(Even Though You Pulled The Trigger)
Then I Apologize For Bleeding
And You Smile An Empty Smile
Because You've Always Imagined This
(My Life Spilling All Over Your hands)
You Left me Here I'm All Alone
There's. No. Getting. Over. This.
And Your Last words Won't keep Me Sane
(Memories Can't Keep Us Warm)
These Pills Are Only temporary
And This Liquid lust Is Slowly killing Me
With Out my Star. my Guide.
I'll fall down and die again
(This Time To <s>save</s> hurt you)
As Your Pouring Crimson Regret
(tragic, endless trails of red)
And I Cast my Dead Eyes Into Yours
Knowing. This. Isn't. Finite.
And Stealing you Forever
(I Always Told You)
You'd never be Alone Here.

Wrath

For Those Of You Who Told Me To Write About Something Happy

I Drip Blood Onto The Sheets

Because my Wrists Have Sprung A Leak

Shadows, Overtaking my Eyes

My, This is A Lovely Surprise

I laugh In The Midst Of my Tears

I begin to laugh at all my fears

I hope that when I wake, they will be gone

So That I can pretend, like nothing's wrong

My thoughts are all over, Hither an Yon,

My thought's are running, a marathon.

As I fall, Into this sleep,

Death slowly, begins to creep

To take my life, and fill my head,

with thoughts of what it's like, to be dead.

Wrath

I'M Leaving

Broken Hearts
Hang From Shattered Mirrors
Filled With Broken Glass
He Runs Away
Trying To Escape
His Broken Past
He Cries Out In The Dark
Knowing That It Couldn't Last
It Began Like A Dream,
And Ended Like A Trainwreck
It Was Over Way To Fast
He Learned It All The Hard Way
Love Was Just A Game
One He Didn't want To Play
The Stakes Were Way To High
He Had Only One Heart To Give
Only One Life To Live
But Now They Are Both Gone
With No Reason To Go On
He Leaves This Place
To Start Over
Never To Return

Wrath

It Slowly Kills

Memories From My past
Haunt My Sleep
Dreams Of You
Fill My Head
Of how Things Once Were
And Of Now
The Difference
Slowly kills

You Bring Me Comfort
In Your Dark Way
Allowing Sweet Dreams
Of Yesterday
But when I Wake
You Bring me Hell
What happened To You
For You To Not Care

The Empty F**ks
Of Those Nights
Fill Me With Want
For Another Night Of Light
With You Alone
Beside Me
Alas No More
Moving To Your next Victim

It Slowly Kills

Wrath

Last Call

Tonights My Last Night
So Drink Up, Boys
It's Been Fun
But It's Last Call
And It's Time I Was Gone.

The Suns Coming Up
In Three Shades Of Grey
You've been Fun
Girl
But I Can't Stay

My Nights Are With
Company
My Days Are Alone
To Give Me Time
To Rest
And Dream About Home

Maybe One Day
I'll Settle
Down With A New Life
And Get Rid
Of This Old One Thats Been Nothing But Strife

Wrath

Love Is The Color Of Rain

Love Is The Color Of Rain
On The Windshield
With You Right Next To Me
Driving Home

Wrath

My Last Goodbye

Suicide,
The Best Way To Die,
I Slit My Wrist,
Like They Broke My Heart.

With Anger,
And Passion,
And A Hint,
Of Hatred.

My Life Defines Me,
I Am A Monster,
I Am The Beast,
I Will Rip, Rend And Tear.

I've Broken Hearts,
To Few To Name,
Forgiveness,
Isn't Mine By Any Means.

Now It's Time,
Time To Leave,
From This Cursed Place,
That Caught me In It's Scheme.

Forever Will I Sleep,
But Never Rest Peacefully,
For Mine Is The Conscience,
That Will Never Cease.

For The Things I've Done,
I'll Rot In Hell,
And Make Others Thrilled,
By My Misery.

Wrath

My Single, Shattered Heart

My Heart Plummets From My Chest
To The Floor
To Be Smashed Into A Million
Bitter pieces
Pieces that No Man
With any number of lives
Could Ever
Put Back Together
But Every Single Piece
Crys with Longing for you
And Every Single Piece
Loves You
With All It's Shattered Existence
The Only Way
This Irreplacable
Irreparable
Object Can Be Fixed
Is By Your hands
In mine
And Warm Beds
Shared Together
But You Refuse
To Even Give me
Your Time
Which I so Desperately
Need
To Mend My Broken Heart
So Now
I Will Never be
Whole

Wrath

She Fades Away

Tears Fall
Down Alabaster Faces
Distorting
Her View

Thoughts
Run Untamed
It's Happened
One To Many Times

Crimson Tears
Stain The Skin
That Was Once
So Beautiful

Her Heart
Fades Away
It Dies
Into A Sea
Of Regret

Still Hearts Are Born
Into Loneliness

Wrath

The Skies Darken Our Goodbyes

Dark Is My Soul, And Morbid Is My Creed
I've filled my life with every Lust
Just to Satisfy My Greed
Anger and Temptation
They are of the same breed
They drive me every single day
And motivate my deeds
Fear and retribution
I've lived with all my life
They've been with me every day
And have caused nothing but strife
I wish that I could disappear
For All the trouble I have caused
I don't fit in
Anywhere
I guess I don't belong

Wrath

The World Viewed Through A Straw

Though The World may Hate Me

I'll never walk alone

You can kill the heart

and destroy whats shown

I'll never be more than visible

You kill me slowly

but you make me whole

You use my body

and Control my Soul

I'll always be part of the visible

One day I'm gonna break away

from this emotion that holds sway

'do You Still love me? '

She wants to know

I'm nothing more than the visible

What's done is done

and that won't change

don't live for tomorrow

when you can live for today

I'm finally More than just visible

Wrath

When Churches Turn To Smoke

My Life Is filled with misery.

My heart is full of woe.

I just can't do anything right,

I just wish that I could go.

To Lands far beyond the sea,

To live among the thorns,

To Fall asleep and ever dream,

That I was never born.

I wish I could stop these feelings,

To live with no regrets,

Take take back all the things I've done,

To be free from all these debts.

But alas it will not happen,

These things I wish inside,

Forever will I live in fear,

Of these things I have to Hide.

Wrath

When Windows Become Doors

What is Wrong With Me?

Why Do I Act This Way?

How Can I Fix This?

When Will It End?

Who Can Stop Me?

Who Can Stop Me?

No one

I am my Own God

and Master

Your Words have no effect on me

I will not fall sway to your

self-desire for absolute Domination

You can't control Me

You don't even understand my actions

I can't understand Why

I do what I do

I will sit here and soak

in My OWN pool of self-pity

I don't need your help

I can destroy Myself

For I

I AM ABSOLUTE

Wrath

Why Do I Still Love You?

WHY DO I LOVE YOU?
WHY CAN'T YOU LEAVE ME ALONE?
I WANT YOU OUT OF MY LIFE!
YOU SLOWLY EAT ME FROM THE INSIDE OUT!
YOU HAVE LEFT BUT YOUR STILL HERE!
I WANT YOU...

gone...

Wrath
