Kiss

Just One Kiss Justin.
Please give me one Kiss,
from your lovely lips.

Just one Kiss.
Just one Kiss,
Please give me one Kiss.
I want to be yours,
and just yours.
and kiss your lips.
Until my last breath.

Just one kiss,
Justin,
Just one kiss.
Just dissolve me in your beautiful eyes,
melt me in your blood,
and let me feel you,
always.

Just one kiss,
Justin,
Just one kiss.
Let me taste your sweet breath.
and just hold it.

Please give me one Kiss,
Justin,
Pleas give me one kiss
I want you to hold me tight,
for the rest of my life.

Please give me one Kiss,
Justin,
Pleas give me one kiss.
I want to keep,
Looking at you,

for ever and ever and ever.
And stare your cute face.

Please give me one kiss,
Justin,
Just one Kiss.
I want you see you and just you,
In my dreams,
and never open my eyes.

Please give me one kiss,
Justin,
Just one Kiss.
I want to be your Wife,
In my every life.

My Name

It sounded like,
the God,
calling me from heaven.
and Birds chirping,
in the Sky.
asking me to fly.
When you called my name,
for the very first time.

I felt like,
honey was poured,
into my ear,
with a lots of love,
When I heard my name,
from your lips.

I was lost,
in the different World,
with you,
when you called,
me your Love.

They Say

They say it all and say me that they love me a lot.
They want to hug me kiss me and hold me,
and they touch the very deep of my heart.

They say that miss me a lot,
and forget me not.
and follow me all the way
until I vanish.

They say that they have a lot to talk,
Share a beautiful thought,
and they want to live in my heart
for the rest of their life.

They say that they want to kiss my lips,
passionately and hold me very tight.
and want me to be their wife.

They say that they would like to keep staring at me,
until they rest for ever.
It is so sad that they can't talk.
