# Light In A Dream

I see the light in a Dream; when I  
Woke up it was night.

I see the days pass by; is now  
time to go his way.

I see the land in mighty father's hand  
and plans being fulfilled,  
The end of time is now,  
be prepared for the days to come.

# True Friend

who was there,  
when you fell down.  
who was there,  
when you was sad  
and make you glad.  
who was there to  
get you a hand.  
who was there,  
when you need a friend.

jesus was there for all time you need him.  
He is a true friend
