# Zavannah ...()

# At My Bosom

At my bosom  
Lays many a soul

In times of joy  
And times of despair

From my baby girl  
To my grown up man

And at certain times  
My men in between

All quenching their thirst  
Of different needs

I comfort  
I please

I give them my deepest  
Most inner corners of  
My very soul

# That's When

How can you take me  
But take me not?

You see, I belong to no one  
But me

I'll tell you how  
Just listen to me

Now show me your heart  
And give it to me

I'll take your heart  
Your body and soul

Don't worry about  
A thing in the world

You refuse to obey me  
In my every word?

Oh, baby mine  
Don't you see

That's when I'm ready to  
Be taken by thee

# This Is For You

\*To Sanjae O. Facey\*

You're not my man  
Yet you reside in my heart

This is for you,  
The man with the eyes  
Like the deep dulcet sound of  
a melancholic blues

A weh yu a seh fi mi?  
You say your heart is drained  
And water runs through its veins

Ah, it is blood all right I say  
And how do I know, you say?  
How can I feel what you don't know?

Mi a kno yuh story  
An dat fi true  
And that's not a threat  
It's my love for you

Like the wounded panther  
So is you  
Licking your wounds and  
You never forget

Your fights, your sorrows  
Your loves, your loss

Your heart shines right through  
You cannot hide  
I saw from day one  
Your manly pride  
In those deep melancholic angel eyes

Use it wisely and  
do it Your way,

Then no one will ever  
be right to say  
one single word about  
Your heart  
Not being filled with  
pure human blood

You're not my man  
Still you reside in my heart

An mi naa jesta an' dat fi true
